GYMKAHNA FOR TENNIS MEN

Field Club Tourney.

HUGHES SHOWS UP WELL WITH COLLINS

Sanderson, the Galesburg Crack, and Caldwell of Omaha Put Up Some of the Interesting Matches.

Cooler weather made tennis much more pleasant for both players and gallery at the afternoon session of the Middle West at the Omaha Field club Tuesday. Some interesting matches were enjoyed by a large gallery and the evening was spent in gymkahna exhibition which was chock full of sport. Two nines had been chosen, one from out of town by Charles Peters of hicago, and the other from the Omaha tennis men by Will Chambers.

When the tennis was finished in afternoon all hied themselves to the base ball diamond, where a game was played. The members of the infield were fastened together by a long rope and the pitcher and the batsmen had to operate while standing in barrels. Peters did the twirling for his team, while Chambers performed a like function for the local boys. While the game ended in a row because the home team would not give the visitors their "ins" it was evident to the speciators that the visitors got the most men across the home plate. This was due in a large measure to the more daring base running a loaded cane with which to protect him-

One of the interesting matches of afternoon was that between Sanderson of Caldwell has long been one of the best players of which this city could boast, but of late years has devoted little time to speed characterized his game throughout. was kept in play all the time and many

pretty railles were made. George A. Potter of South Omaha had Mr. Gliman going some in the first set of their match, which ran to deuce, but lack of practice and endurance soon be-

Hughes Against Collins. hopes of the locals were placed on Jack Hughes in his match with Collins, in the fast company. Hughes' fondest friends hardly hoped for him to make the splendid showing he did. Hughes started out like a winner and won the first two sets, and at so time thereafter did Collins have a walkaway, although his superiority with his back hand work was a handicep which Hughes could not overcome. Collins played the outside lines all the time and by this lost many points, but this did not seem to bother him, as he kept it up to the finish. Collins is surely a graceful player and none of his backers has weakened on picking him as the next

middle west champion. Herb Kohn had a hard game with the former middle west champion, Fletcher of Galesburg, but did not give up the match uptil Fletcher was convinced he had a game on his hands. Kohn volleyed in fine form but Fletcher's accuracy on killing lobs was too much and won many a point, for he could place the ball out of Kohn's reach.

First Round of Doubles. The first round of the championship doubles will be played off this morning, beginning at 9:30 o'clock sharp, and all must be on hand, as it will be necessary to get through with the first round to draw for the consolntion doubles. The fourth round in the championship singles will be played afternoon and several interesting matches are scheduled. Among these are Sanderson against Collins. This should be one of the good matches of the tournament. Fletcher plays Jack Hiles of Sloux City. Peters plays Blatherwick, and here s another game worth going the distance to see. Holland plays Gilman and these two should put up an interesting match. With these matches off, play will be down to the semi-finals for Thursday, the finals for Friday and the challenge match for Saturday. This is the schedule which will 5e carried out unless rain interferes. Gliman and Will Wood. W. S. Gilman of Steux City is again on hand and playing his best in the tournament. His first match was with Will Wood, and while he trimmed Wood beautifully according to the score, the game was much more even than the score would indicate. Nearly every game went to deuce, with the Sloux City man winning the point. Gilman is one of the wonders of the courts, as he surprises all by the way he can cover the courts in spite of his lameness. Gilman was responsible for Hayes' appearance at the Middle West last year. when he won the championship. Haves came from his old home and carried off the benors at the Tri-state meet at Sioux City, and Gilman induced him to come to Omaha, where he won out, as Gilman pre-

dicted very forcibly he would. Jack Hiles, the crack parsman of Sloux City, is an entry at the tennis tournament and is having more fun than anyone Hiles is a thorough sportsman and is always around when the fun is on. He was picked as an easy mark at the den Monday night, but he managed to duck away from any catastrophe by hiding behind the lemonade barrel. When the tennis sesson is on he always makes a point of training on Hamburger steaks, well seasoned with onions. Hiles put out C. B. Perry, the Donne college athlete, Tuesday morning.

Features of the Forencon. The most interesting match Tuesday morning was between Lyman McConnell and Holland the Galesburg crack. Holland has of the outside fellows. Fred Hamilton been playing some great tennis this year acted as umpire and two things kept him and has won from Fletcher in the northern from being mobbed. BURWELL. Neb. Aug. 21.—(Special.)—
From general reports received from all directions from Burwell the prairie chicken crop is light this year. Sportsmen will be greatly disappointed. Some farmers say that the early hall storms killed the young chickens, while still others say that the wolves and soyotes killed the cld birds while they were setting. Young chickens are usually pientiful in this section at this time of the year. Your correspondent drove fifty miles last of last week and saw less than a dozen preiric chickens and all of them were old ones. We had a good bird dog along.

Every Banger Placks a Hit, and Perring, Welch and Dolan Get More Than One Aplece.

The fans out at the Vinton Street park yesterday afternoon had the satisfaction of Des seeing the home team break even with the mountaineers in the series of four games, which began last Saturday. The game yesterday opened with a grand entree of Denver players, who marched before Pitcher Corns in rapid succession. With four safe visitors in the first inning some of th Omsha fans began to droop and think of Monday's game. But when Welch sent out a double and Howard and Perring tied the score in the first the little boy who sits on the center field fence took off his shoes and threw them up into the air. All Lincoln's Way. LINCOLN, Aug. 21.—The Lincolns pounded Jackson about as they pleased today, winning a one-sided game by a score of 9 to 2. The visitors played sleepy ball in the early stages of the game, letting bunts go for hits on three occasions. They woke up later, after Freese had replaced Hess behind the bat, but the game was lost. Lincoln was lucky in bunching its hits with Sloux City's errors in the first two innings. McKay was batted hard, but kept the hits well scattered except in the sixth inning.

Champs Get a Brubbing.

DES MOINES, Aug. 21.—Pueblo closed its season in Des Moines by winning its first game on the Champions' grounds this summer. Every game scheduled has been played and this is the first the Indians have succeeded in landing. The score was it to 1 and the game was called in the seventh inning, with Des Moines at the bat, the bases crowded and two out, to allow both teams to catch trains. The Champs were unable to find Henley until the seventh inning, while Manske was easy for the Indians. Umpire Lynch's decisions were so far off as to be amusing, but he cannot in any way be plamed for the Pueblo victory, which was due to stickwork. Score: Champs Get a Brubbing
