Chairman Organ's Speech Meets with Such a Cool Reception He Later Explains to Convention He Did Not Mean it.

- For Representatives—JOHN P. ORGAN, Council Bluffs; A. A. LENOCKER, Oakland; For Auditor—JOHN D. HANNAH, Neola; For Treasurer—M. C. GOODWIN, Council Bluffs; For Clerk—FRANK LE FEBER, Walnut; For Sheriff—JAMES C. JENSEN, Council Bluffs; For Recorder—FRID RYBER, Minden; For Assessor—ROSCOE BARTON, Avoca; For Superintendent of Schools—CAROLINE TOBEY, Oakland; For Surveyor—ERWIN SPETMAN, Council Bluffs; For Coroner—DR. T. H. LACEY, JR., Council Bluffs; For Board of Health—C. H. MACHRY, Macedonia; For Board of Public Works—DOMINICK GROSS, Pleasant Hill; For Board of Public Safety—M. C. CRIPPEN, Council Bluffs; For Board of Public Safety—J. E. SMITH, Garner; For Judges Superior Court—HARVEY O. OUREN, Council Bluffs.

The above county ticket was placed in nomination yesterday by the democrats of Pottawattamie county in convention assembled at Minden.

The convention was presided over by Attorney John P. Organ of Council Bluffs, who was named as temporary chairman, with Patrick J. McBride, also of Council Bluffs, as temporary secretary, the temporary organization being later made permanent. There was a large attendance. Council Bluffs being represented by a big delegation, and nearly every precinct in the county was represented by its full quota of delegates. The convention apparently was not a most enthusiastic one. It was a little after 11 o'clock when Attorney F. W. Miller of Council Bluffs,

chairman of the county central committee, called the gathering to order and after reading the call, called upon John P. Organ to act as temporary chairman.

Organ Makes Special Plea.

On assuming the gavel Mr. Organ made an address, in which he dealt the "standpatter" faction of the republican party in Iowa some solar plexus pious from his standpoint. He singled out what he termed the "city ring" in Council Bluffs for a vehement attack, declaring that the slogan of the democratic campaign in Pottawattamie county this fall should be "down with the republican city ring." The "city ring," he charged, was controlling the affairs of the republican party in the county and the business of the court house. Then he made an appeal on behalf of the Cummins candidates who had been "ruthlessly" turned down by the "standpatters." "The success of the democratic ticket in Pottawattamie county largely depends upon the support to be received from the Cummins faction, which met with consideration at the hands of the 'standpatters' when the latter found themselves in control of the republican county convention. The democratic fight was against 'standpatter' republicans as such, or Cummins republicans, but against the 'ring,' which has practically controlled the affairs of Pottawattamie county for several years," he said.

Referring to County Superintendent of Schools O. J. McManus and others, who had failed of re-nomination by the republicans he declared that they had been turned down merely because of their affiliation with the Cummins faction and because they had refused to bow the knee to the standpatter element. He urged consideration on the part of the democrats for the faction which had been turned down by the republican managers in Pottawattamie county.

At the close of Mr. Organ's address the following committees were appointed: Credentials—Riley Clark, Neola; Dominick Gross, Pleasant Hill; J. G. Henshaw, Council Bluffs; Louis Smith, Garner; F. A. Fox, Council Bluffs; Permanent Organization—O. J. McManus, Council Bluffs; Robert Housfield, Council Bluffs; Charles F. Paschel, Council Bluffs; John T. Hazen, Avoca; John Warren, James; George F. Dye, Carson.

Following the appointment of committees the convention adjourned for dinner until 1:30 p. m.

Suggestions Not Heeded. During the adjournment the address of Chairman Organ was the topic of discussion among the delegates and it was evident they were not in sympathy with his suggestions, but on the contrary there was strong sentiment against naming anything but a straight democratic ticket, and subsequent proceedings of the convention showed this was so. In fact so strong was the sentiment against placing any Cummins republican on the ticket that Mr. Organ, when the convention reassembled after dinner, felt it incumbent on himself to explain that his remarks in the forenoon had apparently been misunderstood. He said he did not intend to be understood on insisting on the nomination of Prof. McManus or any other Cummins republican, who had been turned down by the standpatter element. All he wished to be understood as urging was that they should be treated with consideration by the democrats.

In place of adopting resolutions the convention endorsed the principles as enunciated in the platform adopted at the state convention in Waterloo.

How Nominations Were Made. M. C. Goodwin of Council Bluffs for treasurer, Erwin Spetman of Council Bluffs for surveyor, John D. Hannah of Neola for auditor and John P. Organ of Council Bluffs and A. A. Lenocker of Oakland for representatives, were nominated by acclamation. John T. Hazen of Avoca and Riley Clark of Neola were named for representatives, but withdrew, leaving the field open to Organ and Lenocker. Frank Le Feber was nominated for clerk of the district court on the first ballot,

his opponent, C. Gilmore of Avoca, receiving but thirty-five votes. For sheriff there were two candidates both from Council Bluffs, Captain Cal Schaffer and J. C. Jensen. Jensen was nominated on the first formal ballot by a vote of 108 to 43.

For superintendent of schools Miss Carolyn Tobey, daughter of Dr. B. D. Tobey of Oakland, and Miss Sue Badollett of Council Bluffs were placed in nomination. The informal ballot gave Miss Tobey 42 votes as against 31 for Miss Badollett. On the first formal ballot Miss Tobey secured the nomination by a vote of 88 to 23 for Miss Badollett.

For the nomination for coroner three names were placed before the convention, Dr. T. B. Lacey, Dr. C. H. Bower and Dr. Sprink, all of Council Bluffs. The first formal ballot nominated Lacey with the vote of 96 to 2 for Bower and 10 for Sprink. The selection of a chairman of the county central committee was left to the candidates and the committee.

Street Sweeper Delayed.

Despite the fact that a telegram from the manufacturers several weeks ago to the Councilman Wallace, chairman of the street and alley committee, announced that the street sweeper ordered by the city had been shipped and was scheduled to arrive in Council Bluffs within a few days, the machine has not reached here yet. Fearing that the machine had gone astray enroute Councilman Wallace wrote the manufacturers and was greatly surprised to receive a letter yesterday from them in which they stated the sweeper could not possibly be here before September 1.

With a view to cancelling the first order Mr. Wallace yesterday communicated by telegram with several other manufacturers of sweepers only to learn that none could ship a machine before October 1. This being the case Councilman Wallace decided to patiently wait with the hope that the machine would reach here before snow flies.

Henry F. Rohlf of the real estate firm of Squire & Annis arrived home yesterday from a three weeks' business trip to western Canada. The demand for harvesters in that section of the country, Mr. Rohlf says, is such that the Canadian Pacific has imported 20,000 farm hands from England, Ireland and Scotland. The railroad, which operates a line of steamships, made a round trip rate of \$20 from the old country to Canada for the harvest hands. The farmers are paying from \$12 to \$25 a month and board for harbor and even at those high wages cannot secure sufficient men. While in Winnipeg Mr. Rohlf saw 4,000 imported harvest hands waiting for trains to transport them into the interior. Farmers the men to stop off and work for them. Mr. Rohlf said he had hundreds of offers to go to harvesting at \$20 a month and board, but as he was not seeking the strenuous life declined.

PORTER TALKS TO A BIG CROWD. Candidate Addresses Old Soldiers at Farragut.

SIENANDOAM, Ia., Aug. 24.—(Special Telegram).—Several thousand people were at Farragut this afternoon to hear Claude R. Porter, democratic candidate for governor. The occasion was the last day of the three days' annual soldiers' reunion. It was a patriotic affair, and the personal popularity of Mr. Porter here and a magnificent hour's speech caused much favorable comment. This was the first speech he has made since his nomination.

The day was perfect and the beautiful Auditorium in the park was filled to overflowing, crowds standing all around the outside eager to hear the orator-candidate. His speech was wholly patriotic, in which he paid a high tribute to the old soldiers of the '90s and drew lessons from the war time that should be applied to times of peace. He took as his general theme the two tests which were applied by Gideon to his army—the tests indicating bravery and vigilance. He referred in a slight way to some of his experiences while he was in the army in Florida during the Spanish-American war. He expressed the confidence that the problems which are confronting the government today would be settled by the same elements in the people which had settled the serious question of the civil war and all the other grave questions which have come up.

VETERANS ENJOY THE REUNION. Hon. H. M. Boorman Delivers a Brilliant Address.

ATLANTIC, Ia., Aug. 24.—The Bona Valley Veterans' association closed a three days' session here today. There was not so large a crowd as was expected at any of the meetings, but the reunion was a decided success from the standpoint of the old soldier. There were excellent addresses each day, and comrades who had not met since the discharge from the army were reunited and enjoyed the meetings. There were about two hundred old veterans who registered today at headquarters. The camp fires were addressed by Hon. John Harriot, lieutenant governor of Iowa; Claude Porter, democratic candidate for governor, and Rev. A. S. Henderson, of this place. Hon. H. M. Boorman was the principal speaker this afternoon, and his oration on the campaign before Vicksburg

was a gem of oratory and historical facts. He presented the subject in an entirely new light, giving the soldiers much praise and lauding the part the Iowa boys played in the battle. His tribute to the coat of blue, which he exhibited with sixteen bullet holes in it, was one of the prettiest and most touching eulogies to the Union soldier ever delivered before an Atlantic audience. The time, place and date of holding the next reunion was left to the executive committee, as was also the election of officers.

A Bricklayer for President

Are you following Russell around the world in his intimate studies of typical governments?

There was slavery—actual human slavery—in Australia six years ago; there is none now. There was domination by landowners equal to that of our trusts and railroads—that, too, is passing.

Who has done this? They who toil with their hands—carpenters, printers, bricklayers. Men "inexperienced and unfit," but with a sense of right and fair play, unhampered by "interests."

Revolution? Yes, but of the gentlest. Practical for America? Maybe. September Everybody's. A fact-story, no less fascinating for being true. Get it.
