

PUEBLO WALLPERS MR. DODGE

Seize's Bench Bats Out Seventeen Hits and Wins the Game. ALL HIT WHERE AND WHEN THEY PLEASE

Welch, Howard and Autrey Get Couple Each Off Henley, the New Member of Indians.

Dodge was in the box. That's all. Seventeen mfr hits was all Pueblo was able to get off Dodge at Vinton street park yesterday afternoon, and as Omaha could get but nine off Henley, the Pueblo won a swiftest by a score of 10 to 9. At that Omaha might have won the game had Bourke consented to let Herman Long take out Dodge when they began to look him so badly or even after they had soaked him for a few innings, but Pa evidently preferred to let him stick and take his medicine.

Henley had sent his new recruit, Henley, to oppose Dodge and the fans thought they would have a pudding if only Dodge did not make his weekly ascension. They had lost track of his days and overlooked the fact that Tuesday was one of his regular days. At any rate he went to the field, the Pueblo slipped under and won the game before he could unload enough ballast to allow himself to light. The Pueblo made one in the first inning, when McGilvray knocked the ball right through Dodge, Romke, Howard, Welch and Autrey and made the circuit of the bases. The Omaha thought that was a mistake and could have been avoided had Welch been playing where he ought. When McGilvray came to bat the next time Welch played in the same place and that time caught a little pop. The third time the elongated Mr. Hayes-McGilvray came he repeated his performance of the first inning, except that Welch got the ball to third time in time for Ferring to try for an out, but the ball hit Mac and he came on home.

Omaha Even Up. Omaha made one to even matters in the first and Pueblo came back with another in the second. Omaha again evened up in the second. They blanketed the fifth when the time for the ascension was set. Cookie started the fireworks with a double and McGilvray, Bader and Melchor followed with singles. The first four men up had hit safely when Henley drove and he drove and only went to Runkle, who caught Mac at the home plate. Hill hit safe and Fiske foisted to Howard, who caught Hill in the second. Renpiker tried out Ferris, but failed. Five hits and three runs.

Omaha made a start to do the right thing in the seventh, when Howard singled and Goding followed with a double. Dodge's drive went to Hill and Bender walked. By the way that boy, Bender, reached first every time he stepped to the plate yesterday. The first time in the first inning he hit the first ball pitched, right in the nose for a two-acker. He then walked three times and got hit in the slates for the other. Autrey singled and sent Goding home, when Ferris pitched in the change of life, but decided to strike out. Welch hit a grounder and when the ball was tossed to Hill he dropped it, making his usual error and allowing Bender to score. Bender tried to score from second on a pass ball in the second inning, but the man who was in the second inning came within an ace of making the play.

Today will be the last day for professional ball in Omaha until September 15. The score: OMAHA. AB. R. H. PO. A. E. Swatfat at Sioux City. SIOUX CITY, Aug. 22.—Though out hitting their opponents nearly two to one, the Packers beat today's game to a victory by a score of 11 to 0. The game, aside from the pounding of Elyer, was characterized by loose fielding and poor batting, especially on the part of Sioux City. Dickinson pitched effectively until the eighth inning, when the visitors began to rap him hard. He retired in favor of Gandy in the seventh, being replaced by Jones. Score: SIOUX CITY. AB. R. H. PO. FINE SHOOTING AT SEA GIRT

Captain Stewart Wise of Boston Wins the Stewart Cup. SEA GIRT, N. J., Aug. 22.—Excellent shooting conditions attended the second day of the great military shooting tournament in progress at the state camp. Two or three light showers fell, but did not materially interfere with the work at the butts. The day was memorable in the history of the competition as the unprecedented number of entries in the two individual matches, 32 riflemen facing the targets in the beach up match, sent 31 in the Hale match.

THE RELIABLE SPECIALISTS. THE BLIGHTING EFFECTS OF WEAKNESS AND DISEASE. Weakness is a malady that robs a man of his spirit, ambition and force. The nerve, self-assertion and stamina are killed by it. The courage that leads many men to smile at fate and continue to fight is destroyed. Thousands of young, middle-aged and old men can look back to their boyhood days of early manhood with a sigh of remorse. The ignorance of early youth or later on a misapprehension as "one of the boys" has sown the seeds of future suffering. Nature passes no act without affixing the penalty for its violation. When she is outraged she will have her penalty, although it takes a life. When through violation of her immutable laws in early life or later on, man wastes away his nerve and bodily vigor, he is then compelled to struggle under the disadvantages which impede his progress and defeat his ends. He can scarcely hope to compete with those of his fellow, who, possessing equal opportunities, have all their faculties unimpaired and bodily energies full. Nature passes no act without affixing the penalty for its violation. When she is outraged she will have her penalty, although it takes a life. When through violation of her immutable laws in early life or later on, man wastes away his nerve and bodily vigor, he is then compelled to struggle under the disadvantages which impede his progress and defeat his ends. He can scarcely hope to compete with those of his fellow, who, possessing equal opportunities, have all their faculties unimpaired and bodily energies full.
