Confidence in Hipple.

great was the confidence reposed in Frank K. Hipple, late president of the Real Estate Trust company, which was yesterday forced to the wall because of the secret business transactions of Mr. Hipple, that the institution was virtually the bank of the Presbyterian church. Not only the general assembly was a large depositor, but even unday school organizations and hundreds of individuals, with abiding faith in the integrity of the late president, had entrusted their funds and savings to the

"It almost destroys a person's faith in human nature," said H. P. Ford, private secretary to Dr. Alexander Henry, secre tary of the board of education and Sabhath school work of the Presbyterian church. "As treasurer of the trustees of the general assembly Mr. Hipple had control of over \$1,000,000, and as treasurer of the permanent committee on home missions and sustenation in the Synod of Pennylvania and the Presbyterian hospital of this city other large amounts were at his command.

Since the failure of the trust company I has been learned that only a few months we the institution was under consideration as a possible depository for the foreign nary funds of the Presbyterian church. The influence of Mr. Hipple, it is said, might have eventually prevailed. The annual contributions to foreign missions sount to over \$1,200,000 and its surplus or hand along ys equals half that amount

May Probe Death.

Pt is likely an examination of the manney in which President Hipple came to his sudden death will now be made. Coroner's Physician Read of Norristown admits that Mr. Hipple may have committed suicide. friends who attended the private burial of the late president of the trust company on Monday had knowledge of his difficulty, but none of them was aware of greatly involved financial conditions. He was not known to have been a stock speculator, although financiers say he was one of the many who lost heavily in Con-

olidated Lake Superior company stock several years ago. Real estate investments s. m to have engaged his attention and stomach today by a Russian concession noney almost exclusively. This is borne aut through his connections with Adolph Segal and the latter's enterprises.

Late tast night Begal, his counsel, and District Attorney John C. Bell had a conference. Mr. Bell said he had been called in by Segal because the promoter thought it entirely feasible to raise the \$3,500,000

needed by the trust company. Mr. Bell said he was in no way connected with the case, other than that he might aid in raisng the funds necessary to place the company on a sound basis.

the expressed opinion of bankers that the Real Estate Trust company failure does not involve any other banking house in the city

The three depositories for the funds of trust company were the Franklin National bank, the Market Street National sank and the First National bank. Aside having deposits of the trust company it is declared by officials of these institu tions that they are in no way involved in
