DANIEL SUCCEEDS TOM LEE

New City Prosecutor Appointed, but Not by Mayor Dahlman.

HE SENDS IN NAME OF LOUIS J. PIATTI

Council Rejects It and Confirms the Appointment Made by President Johnson as Acting Mayor.

At a special meeting of the city council yesterday afternoon at the call of Acting Mayor Johnson, Herbert S. Daniel was elected city prosecutor to succeed Tom Lee, present republican incumbent. The election of Mr. Daniel was not fraught with any particular seismic disturbance, the council going about the business in hand promptly. The call was for the election of a city prosecutor and that was all there was to it.

Mayor Dahlman came down to his office at 1 o'clock yesterday afternoon and forthwith sent in the name of Louis J. Piatti as his choice, but the mayor's appointment did not get out of the hands of the deputy city clerk and was not even spoken of at the special meeting.

The absent councilmen were Eliaaser and Hansen. Of the ten present, Bridges, Bruckner, Davis, Funkhouser, McGovern, Sheldon and Johnson voted for Mr. Daniel, Bedford and Jackson voted for Piatti, while Zimman did not vote. Bridges, who had been with the mayor on the Lee appointment, joined the majority for Daniel. When the roll called Mr. Bedford explained his vote for Piatti by saying he understood the name of Mr. Piatti had been presented by the mayor. Mr. Bridges replied by saying that if the mayor had been interested in Piatti's appointment he should have sent that name in before.

No Question on Legality. While there appeared to be no question as to the legality of Mr. Daniel's election at the special meeting yesterday afternoon, there was much discussion of opinion as to whether the mayor could not have sent in an appointment next Tuesday evening at the council meeting had no special meeting been held. As to the election yesterday afternoon the city attorney's office expressed the opinion that it was quite in order.

Mr. Daniel is a young lawyer and is secretary of the county and state democratic committees. He has made a good record for himself in the councils of his party and is spoken of as an aggressive young attorney. He was one of the "home folks" who were the choice of Mayor Dahlman since the new administration went into office. Mr. Lee did yeoman service in the Third ward for the mayor and was to have been rewarded for his efforts. And then the mayor's second choice never saw the light of day. Lee was appointed city prosecutor by Mayor Moore in 1903, succeeding B. F. Thomas.

RECEPTION PLEASURES BRYAN

Nonpartisan Character of Affair Features Which Appeals to Him.

STRENUOUS TIMES ARE AHEAD OF HIM

State Fair Attendance of Over Thirty Thousand Makes Managers Feel Good-Saltine County Exhibit Given First Prize.

(From a Staff Correspondent.) LINCOLN, Sept. 6.—(Special.)—W. J. Bryan today expressed to friends his deep appreciation of the reception tendered him in Lincoln. "I desire to express the hearty thanks of myself and Mrs. Bryan," he said, "for the magnificent reception. It deeply touched my heart. I never spoke to a larger crowd in my life. The manner in which partisan republicans joined in extending a welcome to myself and wife was pleasing beyond expression."

Mr. Bryan has arranged an itinerary that will keep him away from home until October 1, on which date he will give a dinner at his country home, "Fairview," to the "Bryan home folks," the Nebraskaans who went to New York to welcome him. Mr. Bryan will leave Lincoln September 10. He will speak in St. Louis September 11; Louisville, Ky., September 12; Cincinnati, September 13; Bradford, Va., September 15, and elsewhere in North Carolina September 17 and 18, and later in South Carolina, Georgia, Alabama and Tennessee. He will return to Lincoln shortly before October 1.

A peculiar incident happened today. Mr. Bryan walked down O street when it was crowded. He was unaccompanied, and among the hundreds of persons who fought for standing room at the state house grounds on the previous evening for the purpose of seeing him, many of them rubbed elbows with him and never recognized him. At least, there was no demonstration when he appeared on the street. He was recognized by several merchants and Lincoln people and was warmly greeted. He has consented to appear at the amphitheater at the state fair grounds, Friday afternoon and make a few remarks.

Fair Attendance Large. The attendance at the state fair today again surprised the managers, the total being 31,000. The committee on county collective agricultural exhibits submitted its report to the Board of Managers tonight, marking many counties below 80 points and thus cutting them out of a \$100 prize. Twenty-eight counties entered in the contest. Saltine was rated first by the committee, with a score of 1,256; Washington second, with 1,123; Kearney third, with 1,011. Two thousand dollars is to be pro-rated among the contesting counties that score over 800 points. The board held a meeting and refused to raise the score of the counties that had been marked less than 800.

The morning amusement was largely confined to the base ball game down in the quarter street. Present and Harvard, two of the strong independent ball teams in the state, played an interesting game before a good-sized crowd. Fremont won by a score of 3 to 0. Two former Lincoln pitchers, Harmon and Morse, officiated on the mound.

Tomorrow morning, at 10 o'clock will occur the big parade of prize winning animals. The judges have about concluded their awards, and the owners of the animals that got the blue and red ribbons will bedeck them early in the morning with the various trophies they won this year. At other places and seasons and exhibit them to the folks who will be at the fair. The parade will be from the live stock sections down the main street to the race track. The grandstand will be thrown open to the free admission of all who care to take seats there, while the animals will be paraded up and down to front.

Friday's program is as follows: 10 a. m.—Parade of prize winning animals. 2 p. m.—Pacing, 235, purse of \$400; trotting, 235, purse of \$500; running half mile dash, purse, \$100. Exhibition by guideless wonder, Dr. Tom. Orphan Boy races against 210 record. Concert by the York Commercial club band. Singing by Morohy, "the man who sings to beat the band."

W. J. Bryan makes an address on the ground in the afternoon. Republican Campaign. Chairman W. B. Rose is now at headquarters in the Lindell hotel. He will soon appoint an executive committee. He is being assisted by Clark Perkins of St. Paul, the newly elected secretary. The list of republican speakers this year will be largely confined to Nebraska men. No fear is expressed of the part Mr. Bryan may take in the campaign. The first speech of the republican campaign will be at Hartington, Cedar county, on September 12, when Norris Brown, candidate for senator, and George L. Sheldon, the nominee for governor, will appear together on the platform. This is expected to be a notable political event for that part of the state, and a rally of considerable size is looked for. Both men will fill a number of subsequent dates during the month, but these are yet to be arranged.

Populists Endorse Democrat. The populists of the Fourth congressional district met in Lincoln in convention and nominated J. J. Thomas of Seward, who is the democratic nominee. Judge W. L. Stark of Aurora presided and was made chairman of the congressional committee and Dr. H. B. Cummins was elected secretary.

Democratic Campaign. A meeting of the democratic and populist state central committees and fusion candidates for state offices was held in the billiard room of the Lincoln hotel this morning. Chairman T. S. Allen presiding. Twenty-eight democratic and twelve populist committee members were in attendance, while all of the candidates were present. The meeting was called for the purpose of informally discussing the plan of campaign and addresses were made by A. C. Shallenberger and W. H. Thompson. No definite arrangements were made, the management of the campaign being left in the hands of the executive committee, which was appointed by Chairman Allen and is as follows: T. S. Allen, Lincoln, chairman; W. D. Wheeler, Plattsmouth; George Rogers, Omaha; Dan V. Stephens, Fremont; B. Wheeler, Hastings; George Dobson, Ulysses; J. Scott, Rushville. C. E. Manuel, chairman of the populist state central committee, was present, but the secretary was absent.

Headquarters were established at the Lincoln hotel and opened at once and maintained through the campaign. The meeting was executive, and none but members of the committees were admitted.

University Claim in Court. Because of his refusal on July 25 to draw a warrant for \$75,000 on a \$5,000 appropriation from the federal government to the University of Nebraska agricultural college, State Auditor E. M. Seale has been made defendant in a mandamus suit before the supreme court for the purpose of compelling him to do so. The action is brought in the name of the Spencer Lens company, a firm dealing in optical instruments, which holds a claim for apparatus sold to the agricultural school, but it is in reality backed by the university board of regents, which desires to have the \$5,000

placed at its disposal for the current expenses of the branch institution. The university people maintain that the act of congress appropriating the money was a direct donation to the agricultural experiment station and such the university authorities have a right to use it regardless of any action by the state legislature. As the congressional act provides that it must be paid out for expenses incurred prior to June 30 of this year, they are extremely desirous of getting the money now.

After Disorderly Houses. Rev. Samuel Zane Bates, pastor of the First Presbyterian church, known in his eastern home as the "Rubbering Rector," accompanied by other preachers in Lincoln, visited the disorderly houses Tuesday and Wednesday nights during the fair and found things extremely disorderly. A bottle of beer was obtained and the preachers will appear tomorrow morning before the excise board to make complaint of the sale of liquor in such houses and of disorderly conduct that could be observed through the windows. Exciseboard Powell accompanied the preachers Wednesday night, and what they saw is said to have been shocking.

German Evangelical Conference. PLATTSMOUTH, Neb., Sept. 6.—(Special.)—The annual session of the ministerial conference of the German Evangelical synod of Nebraska was held in St. Paul's Evangelical church in this city Wednesday. During the morning session Rev. C. A. Kessler of Milford read a paper entitled "Satan," and Rev. George J. Jensen of Synacuse chose for the subject of his address these words: "Ye are the salt of the earth, but if the salt hath lost its savor wherewith shall it be salted? Ye are the light of the world. Let your light so shine before men that they may glorify your Father who is in heaven." During the afternoon session Rev. J. Able of Oaage read a paper on the "Relief of the Invalids, the Widows and Orphans of the Clergy." Each paper was followed by a general discussion.

Rev. J. Fisher of Jensen offered the opening prayer and read the evening scripture lesson, which was followed by an able discourse by Rev. W. Shafer of Omaha. Rev. G. A. Newmann of Lincoln expressed the sincere thanks of the members of the conference to Rev. F. J. Langhorst and wife and the members of the church for their hospitality. With the exception of two, all of the ministers of that denomination in this state were present. Excellent music was furnished by the church choir.

Sheriff Nabs Pickpocket. FREMONT, Neb., Sept. 6.—(Special.)—Denny Brown, alias Lewis, was arrested this morning at the Union depot by Sheriff Bauman on the charge of picking pockets. The sheriff saw him coming from a crowd alighting from a westbound Union Pacific train and recognized him. Brown sprinted across the platform and Northwestern tracks and was caught in a bunch of weeds north of the station just as he threw away a pocketbook. He had two pocketbooks on him, one containing papers in the name of a man named Eisenfeldt of St. Paul, Neb., who was notified by the sheriff. Brown has served a term in the Douglas county jail for picking pockets and has a record in Kansas City. Pickpockets were busy at the Union depot yesterday morning and two cases were reported, one of \$20 and the other of a smaller amount.

Fallard's Big Apple Crop. NEHAWKA, Neb., Sept. 6.—(Special.)—Congressman Pollard estimates that the apple crop from Pollard & Sons' orchard will amount to 50,000 bushels. They have a small army of men at work picking, sorting, barreling and loading on cars. They are age manufacturers of cider, but find that they will not be able to make as much as all their own crop of apples will make, so they are enlarging their facilities and in a short time will be able to increase the output to 3,000 gallons per day. They expect to make 125,000 gallons of cider from this year's apple crop. They have closed a contract for all the cider they can make and will soon be shipping a car per day. They are firm believers in spraying their orchards and have sprayed three to four times a season for several years. The result is that they have fine, perfect apples, when their neighbors have none that are merchantable.

Boy Killed in Runaway. BEATRICE, Neb., Sept. 6.—(Special.)—With his parents in attendance at the state fair, Valentine Russell, the 6-year-old son of Mr. and Mrs. John P. Russell, was instantly killed in a runaway accident late yesterday afternoon at his home, seven miles northeast of Beatrice. The boy, with his brother, was plowing in the field and was astride one of the horses when his brother 10 years of age, was riding on the plow. The animals took fright and ran away and after covering a distance of about half a mile Valentine was thrown to the ground almost in front of the house.
