## Entertaining Little Stories for Little People a leason we may learn from the devotion Some Quaint Features of Every-Day Life

Rather a dark birthday face you are Jewels.

door. "Doesn't the new pony suit the boys it was given to?"

The Meadow Lark's Nest.

The cows grazed quietly by, and overhead it was very long ago.

I knew the spot upon the hill where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; the pretty mother trilled forth her delicious it where checker berries could be found; t wearing, laddle," called mother from the Mother shook her head as she went in for Ralph's collabness often troubled her. It was the twins birinday and Uncel Jack Down in the meadow we came across a the nestlings in their hourly used. It was the twins birinday and Uncel Jack Down in the meadow we came across at the nestlings in their hourly used. It was the tong promised pony. Ralph had taken the first ride and was now lovely little soft-lined cup of cosiness, with was removed? I cannot tell—the matter but think I once was wise as helper to come back. "It's liarry's turn how," said Frank, as he came galloping back, "We can lead bird had flown at the approach of human about it, taught by a higher wisdom than bird had flown at the approach of human about it, taught by a higher wisdom than footsteps, and thus revealed the socret mine.—St. Louis Globe-Democrat Town which is should be:

It was a line time.

But think I once was wise as helper the lark knew all bird had flown at the approach of human about it, taught by a higher wisdom than footsteps, and thus revealed the socret mine.—St. Louis Globe-Democrat Town wishes all in vain.

It was a line time.

But think I once was wise as helper the lark knew all bird had flown at the approach of human about it, taught by a higher wisdom than footsteps, and thus revealed the socret mine.—St. Louis Globe-Democrat Town which is should be:

It were not wishes all in vain.

A Faithful Friend.

But that was very long ago.

But think I once was wise as helper the lark knew all but think I once was wise as helper the lark knew all but think I once was wise as helper the lark knew all but think I once was wise as helper the lark knew all the time.

But think I once was wise as helper the lark knew all but think I once was wise as helper the lark knew all the time.

But think I once was vise as helper the lark knew all the time.

But think I once was vise as helper the lark knew all the time.

But think I once was vise as helper the lark knew all the time.

But think I once was vise as helper the lark knew all the time.

Bomehow he did not enjoy the gallop as A day or two afterwards the visit was dealy a dog gilded out from beneath the much as he thought he would. Something repeated, but imagine our consternation garments of a dead soldier, darted toward troubled him, and at last he turned the when, on opening the gate of the field, we us, uttering cries of deepest distress as pony's head and rode back to where his saw that the cows had been let into that if beseeching us for ald as he returned to brothers were silently playing "knife" pasture. How would the great, clumsy his dead master, licking his face.

does not seem much change in you, until "People have joked with my name so under the trees.

"Your turn now, Harry," he called grass! Would it not be crushed and moment," continued the emperor, "or as an old man. It is the same with an age self," said Miss Schidu. "There will be "Hang on tight and we'll lead him to the trampled by their unheding feet? We had whether it was the place, the hour or the in history; day follows day, and there does twenty-three candles on the birthday cake,

Dividing the Pour.

Solution of the bats, came to dinner, mother and delight was great to find the home interesting the pour.
