PUEBLO HAS LONG END OF SCORING ALSO

Rough Field Allows Many to Go for Hits Which Otherwise Would Have Been Easy Fielding Chances.

PUEBLO, Colo., Sept. 12-Today's game was played at the state fair grounds and account of the poor condition of the ciamond the fielding was slow and what sould ordinarily have been easy chances were converted into hits. The Indiana fielding was better, however, and their hits counted for more than those of the visitors. Dy scoring six runs in the second the locals took a lead that was never overcome Omaha had a batting rally in the ninth but the handicap was too great. In catching a low ball in the ninth inning, Tonneman's hand was so hadly injured that he will probably be cut out of the game for the remainder of the season. Score:

TOWNSEND JOINS THE ROURKES

Grand Island's Crack Catcher Will Take Bender's Place. Take Bender's Place.

The Rourke family will have a new member when the team returns to the home grounds Saturday. G. W. Townsend of Brocton, la, who caught for Grand Island this season, has been secured to take the place of Johnny Bender, who goes to Washington Agricultural college as foot ball coach and athletic trainer. Bender has the making of a great ball player with a little more experience in fast company. He had struck a good gait this summer when he left the team to take a course of training at Chautauqua. When he returned he was again quite rough in his work and could not hit. He has just got to going again, when he leaves the team. Gonding probably will catch most of the remaining games, but Rourke desired to have a good emergency man.

Jan Koukalik is in the city, having returned from Verdigris and other northern towns, where he has pitched about fifteen games since leaving Omaha. He has been quite successful.
