Omaha Gets "he Long End of Batting and Also Puts Up a Fine Article of Ball in the Field.

PUEBLO, Colo., Sept. 13-Today's game between Omaha and Pueblo was played under most unfavorable circumstances at the state fair grounds. The entire outfield was banked with people as well as the aide lines and part of the infield. It was impossible to get a foul fly in any direction and ground rules were establ-lished to the effect that no hit should be good for more than two bases. As a remit hits were numerous and Omaha won because luck broke their way. The score: OMAHA.

ball.

Pop Eyler held his old team mates down to three hits Wednesday at Denver.

Gracious! Des Moines' lead is down to 185, the lowest it has been for months.

Stone continues to wallop the ball. He only got three hits out of four times up Wednesday.

Omaha made a Garrison finish, but could not overtake the fine lead Pueblo had in the game Wednesday.

Van Sickel-new Western league umpire. A person by the name of Keefe is umpiring in the Three-Eye league. Poor langue. And still it's Autrey. Whether is victory or defeat that boy bats. He got four of the sixteen hits Wednesday out of six times.

That win of the Detroit team will be one for the fans to talk about for some time to come. With the score 4 to 6 against them, they jumped in and won the game in the ninth inning.

That's a shame, if true, that Bill Ecveritt, instead of White Wings, is to be drowded out of Denver. Before Tebeau hires a new manager for Denver hadn't he better wait and see if there is any Denver next year?

F. W. Judson's and C. M. Wilhelm's golf divisions of the executive committee of the Omaha Commercial club fought it out to a finish on the golf links of the Country club Thursday afternoon and Judson's team won, 22 to 8, although the doughty captain was not able to win a bean for his team. Erastus A. Benson was outclassed by the undertaker and Burket came in with a score of two. It might be well in passing to say that the first nine holes counted one point, the second nine holes a point and the match a point. E. J. McVann put the fixin's on O. D. Kiplinger and was the happiest man in town last night, running around like a boy with a new top, but he was not equal in joy at winning to Neis Updike, who took all the points from the captain of the toest of the captain of the losing team.

once by the right treatment or they will fill your whole life with failure, misery and woe.

Uncertain, improper or half-way treatment can only do harm. The worst cases we have treated were those that had been improperly treated before coming to us, some having been malmed for life by bungling surgical procedure. We cure by restoring and preserving important organs. We do not advocate their mutilation or destruction in an effort to make a quick cure. Every afflicted man owes it to himself, his family and to the future generation to get cured safely and thoroughly.

We will make a thorough, searching and scientific examination of your allments, an examination that will disclose your true physical condition, without a knowledge of which you are groping in the dark. We want all alling men to feel that they can come to this institution freely for an examination of their condition without being bound by any obligation whatever to take treatment unless they so desire.
