OUR SCHOOL SHOES ARE THE BEST MADE

Boys and girls require good shoes for school wear. We pride ourselves on the wearing qualities of our Boys' and Girls' Shoes.

The uppers are made of plump vicid kid and box calf. The soles, the best oak leather.

The material in these shoes will outwear two pairs of the ordinary school shoes.

We want parents to investigate the merits of these shoes.

To Friends of the Public Schools:

The undersigned believe that the affairs of our Public Schools are in good hands and that the district cannot afford to lose the services of the five present members of the Board of Education who are candidates for re-nomination on the Republican Ticket, namely:

Robert Dempster,
Charles Harding,
John L. McCague,
James W. Maynard and
Dr. John H. Vapce.

Our schools are now conducted on business principles with a high degree of efficiency, and if these men, who have proven themselves capable and loyal to the best interests of the schools, are willing to serve the public, for its own good, ought to be willing to take interest enough to attend the primaries and see to it that they are re-elected.

We urge you not only to attend the Primaries, but to invite your friends to go. Primary September 18th, 8 A. M. to 9 P. M.

Queen Steel Range

Sold in Omaha ten years. Nearly two thousand in use. Time tried and fire tested. Have proven to be the longest lasting steel range sold in Omaha. See below what people say who have used them for years.

WE SELL ANY SIZE AT \$5.00 DOWN AND \$5.00 PER MONTH OR OUT THE PRICE FOR CASH.

Mr. Berger, 3401 Jackson, says: "Nine years ago I bought a Queen of you that is as good as new. It has cost me only 50 cents for repairs. A friend of mine bought another kind about the same time, and he bought a new one two years ago. He thought he had a good range simply because it done good baking a couple of years, but he found that it takes something, besides baking to make a good range."

Mr. Smith, 424 William, says: "The Queen I bought of you six years ago is as good as new; not even a speck of rust on it. I know of people who bought \$25 and \$30 ranges about the same time and they have repaired them several times."
