SLATS AIDS DUCKY TO WIN

Best Umpire of League Has Off Day at Rourke Family's Expense.

SEVEN CLOSE DECISIONS AGAINST LOCALS

Sanders Pitches Steady Ball, Not Passing a Man, and Team Gives Him Errorless Support.

Seven close decisions, all made against Omsha by Slats Davis at Vinton street park Wednesday afternoon, cost Omaha last game of the series with Lincoln cheduled on the home grounds. What few fans braved the ohill atmosphere were oroughly aroused at Davis, who has been praised in most of the newspapers on the froult as being a stirewd umpire who generally got his decisions about right. But when seven close ones, all at critical stages of the game, are all decided against the home team it hurts and looks bad at the

same time. Lincoln won from the Rourke family by the score of 4 to 2 in a game in which Sanders did not pass a man and the Omsha team did not make an error. The hits came just at opportune times. The fans have howled against the umpires at Vinton street park this season until it has become an old story and many had hoped the season would pass without their having to criticise Slats, who was counted as a good umpire.

Lincoln made one run in the second inning when Fenion led off with a single and was caught at second when Thomas tried to sacrifice. Gagnier hit safe and Thomas scored on Steen's single. In the third Zackert led off with a Texas leaguer and went to second when Ketchem beat out a bunt. Quillin sacrificed them each for bag and Zackert scored on Davidson's safe bunt. Fenion flew out to Bassey and Quillin scored on the throw. Lincoln made another in the eighth on two hits and a

The only runs the Rourke family could amass came in the fifth inning. Bassey opened with a single and Dolan followed Gonding sacrificed them each on for a sack and Bassey came home on Long's grounder to the pitcher. Sanders hit a clean one to right and brought Dolan Omaha was threatened with other scores, but Slats Davis was on deck to see that none of the Rourke family crossed

Omaha goes to Lincoln for the rest of the week and will return for a doubleheader with Lincoln next Sunday and a postponed game Monday, which was an open date for both teams.

Fremont Willing to Join League.

FREMONT. Neb., Sept. 19—(Special.)—
The directors of the base ball association held a meeting last evening and discussed the state league proposition at some length. Sentiment was favorable to some kind of an organization for a limited number of games, perhaps one a week, with the privilege of playing outside games. Fremont has had a good many of its best players taken by league teams and it has required pretty strenuous work on the part of Manager Shea to keep his nine up to the standard. It was decided not to disband the team for a couple of weeks yet and it is expected that games will be arranged with some of the Western league nines. Early games with those nines usually resulted in a loss of players and at the close of the season no such trouble is looked for. Fremont Willing to Join League.

Assistant Coach for Cornbuskers. Assistant Conch for Cornhuskers.

LINCOLN, Sept. if.—(Special.)—T. M.

Stuart, for two years a member of Michigan's famous foot ball eleven, was elected to serve as assistant coach of the Cornhuskers at a meeting of the athletic board held yesterday afternoon in the office of Physical Director Clapp at the Thiversity of Nebraska. Cotton and "Bill" Johnson, both members of last year's 'varsity team, were aspirants, but the board decided that Smart would prove a more valuable man for the place because of his experience and better knowledge of the finer points of the game.

FEAST FOR IDE AND SMITH

Philippine Citizens Give Dinner In Honor of Two Insular Governors General.

MANILA, Sept. 19.—A dinner that was at once a farewell to Governor General Ide and a welcome to his successor, General Smith, was given tonight by a number of citizens of the Philippines. Speeches sulogistic of the Ide administration were made by several Filipinos, and representatives of American, British and Filipino interests greeted General Smith.

In an address retiring Governor General Ide reviewed the work of his administration, calling attention to the substantial progress that has been made. He said that the foundation for commercial and industrial development had been laid, but while Boston at Cleveland. much has been accomplished, there is much remaining to be done.

Governor General Smith, in responding to the welcome tendered him, asked for the co-operation of all classes of citizens in support of the government, as there must be cohesion in order to obtain results. A large crowd viewed the parade of troops. Governor Smith in his address announced that his policy would'be the policy of President McKinley and Secretary Taftthe education and preparation of the people

ARMY OFFICER IS IN TROUBLE Captain Fredendall of Quartermaster's Department Accused of Mispeing Funds.

MANILA, Sept. 19-3 p. m.-Captain fra L. Fredenall of the quartermaster's department was charged in the court of first instance in this city this afternoon of misappropriation of public funds. The filing of these charges is the culmination of extensive investigations by the insular authorities into an alleged series of frauds perpetrated by members of the quartermaster's department in the Philippines. The inquiry resulted in the discovery of padded pay rolls in quartermaster's shops and grafting in the lease of lighters. Both officers and civilians are implicated and court-martials will follow the court pro-

cedings. Major General Wood continued the inquiry originally begun by Major General Corbin. The result of the investigation has been a great saving in transportation funds and a decrease in graft, such as the manufacture of furniture, etc., in the shops for the private use of officers and civilians. High officials in the army and govern ment are said to have been the beneficiaries.

Captain Fredenall entered the service of the United States during the Spanish-American war, serving as quartermaster of volunteers. At the close of that war he secured a place in the regular establishment, his commission bearing date 1901. He is a native of New York and was appointed from Wyoming.

QUINCY, Mass., Sept. 18 .- The twin screw steamer Creole, which was launched at the yard of the Fore River Shipbuilding company here today, was built by that company for the Atlantic service of the Southern Pacific company and is intended to run between New York and New Orleans. It is a steel steamship of the hurricane deck type and was especially designed as a first-class passenger and freight steamship. The vessel has five decks and is subdivided by transverse water-tight bulk heads into four cargo holds, in addition to the various between-decks. It is 460 feet long, 53 feet in breadth and \$7 feet in depth. It has accommodations for about 500 passengers, including 256 steerage.

The Prohibition Theory on Beers

Has been weighed in the balance and found wanting. The great scientists of all Nations after careful analysis declare that beer brewed from pure barley mait and hops contains only about 4 per cent of alcohol or just enough to mildly stimulate the body and promote healthy digestion. Dr. Bauer, the German analyst (whose fame is international) mays: "Beer has a number of pleasant and valuable qualities. No other beverage contains such a combination of useful properties. The water of it quenches the thirst, the carbonic acid refreshes, the extracts are nutritious, the alcohol furthers digestion, the mineral saits build up the bones, and extracts of hops act as a tonic." Dr. Bauer's statement here given exactly describes the qualities of

Gund's Peerless Beer

Its commanding superiority over all American brews was proven at the St. Louis World's Fair where in open competition with the best America can produce it won the Geld Medal. Peerless has been brewed for over 50 years from the best Malting Barley and finest Bohemian Hops by the world-famous "Gund Natural Process" and has won its high position solely on account of unadulterated genuine honest merit. FALL FROM CAR IS FATAL

Mrs. J. W. Rubardt of Blair Strikes on Head, Never Regaining Senses.

CAR MOVING AS SHE ALIGHTS BACKWARD

Taken to Swedish Hospital and Lives Till Morning-Former Assistant Instructress at Brown-

Another serious street car accident occurred Tuesday evening at 9:30, which terminated fatally to the injured person. Mrs. J. W. Rubardt, aged 60 of Blair, attempted to alight from a northbound car on the Twenty-fourth street line at Twentyfourth and Emmet streets before the car had come to a stop. According to the conductors report she stepped off the car backwards and the momentum of the car threw her to the pavement with great force fracturing the base of her skull. Dr. Paul H. Ellis was called to her assistance and after dressing her injuries had her removed to the Swedish nospital, Twentyfourth and Pratt-streets, where she died Wednesday at 5 a. m., from the effects of her injuries and without regaining con-

Mrs. Rubardt's identity was established by the aid of a suit case she was carrying at the time of the accident. She was a widow and had resided in Omaha several years ago prior to the death of her husband. In 1903 and 1904 she was employed at Brownell Hall as assistant instructress in sewing and removed to Blair, after severing her connection with Brownell Hall, where she has since resided.

Mrs. Rubardt is survived by a son who is in the west, but has not been located, and a grandson, Leslie Marriam of this city. During her residence in Omaha she was a communicant at St. Barnabas church. The rector of the church, Father Williams, is endeavoring to find her son and ascertain his wishes as to the burial of his mother. The body was removed to the office of Brailey & Dorrance, where it will be held until communication is established with
