Des Moines Preparing to Entertain Delegates from Many States

Twenty-eight States Represented, Governor Cummins Gets Off at Wrong Station and Forced to Pump a Headcar to Meet Appointment, (From a Staff Correspondent), DES MOINES, Sept. 23.—(Special.)—The fact that there has been so much political activity in the state of Iowa this year has seemingly completely overshadowed the fact that there is to be one of the greatest and most noteworthy gatherings in the country here this year, a convention of delegates from each state in the union appointed by the governors of the states for the purpose of discussing and formulating some plan for securing a constitutional amendment for a direct vote of the people for United States senators, The convention will be held at the statehouse December 5, a trifle over two months from now, The first move for the convention was in a resolution passed at the last session of the legislature authorizing Governor Cummins to call such a convention, at this time there are twenty-eight states, or a little more than half, that have made the necessary appointment of five delegates to attend the convention, Twenty-four states are on record as favoring the election of senators by the people and seventeen of these, Tennessee, New Hampshire, Kentucky, Illinois, Wyoming, Ohio, Utah, Florida, Washington, North Dakota, North Carolina, Idaho, Pennsylvania, Indiana, Colorado, South Dakota, Kansas, The states that have thus far answered the invitation of Governor Cummins to make the appointment of delegates to the convention in Des Moines next November are California, Colorado, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Montana, Nebraska, New Jersey, North Carolina, Ohio, Oregon, South Dakota, Texas, Washington, West Virginia, Wyoming, Georgia, North Dakota, Pennsylvania, Tennessee, Virginia, West Virginia, Maine and Massachusetts have answered the invitation to the effect that the laws of those states do not give them authority to make the appointment of delegates and hence they have necessarily declined, Under the provisions of the federal law, if two-thirds of the legislatures of the states petition congress to submit the matter to a constitutional convention the matter must be so submitted, This means thirty states, It is partly for the purpose of inducing enough other states to make the petition to bring it up to thirty that the convention here is to be held, Missing Man Found, The body of Carl Klumb of this city was found near the Golf and Country club grounds last night, with a bullet hole through the heart, He had been missing since August 9, Governor Works Handcar, Put off by mistake at a little waystation and with no means of reaching their destination, Governor Cummins and Senator Garet worked handcar in order to reach a speaking day, They had appeared at 8:50 City and addressed a political gathering, They took a Rock Island train and intended to the Northwestern at Gridley, but it was not the Rock Island but a name and a couple of toolboxes for the section men, With no other means Governor Cummins and Senator Garet, who is a candidate for lieutenant governor, with a number of others who had gotten off by mistake with them, boarded two handcars and made their way to Gridley, Shriners Dedicate Temple, The building formerly used for the First Methodist church has been remodeled and will be rededicated Thursday as a temple of the Za-Zig temple of the Mystic Shriners, Shriners from Omaha, Minneapolis, Kansas City, St. Joseph, Sioux City and other places have been invited and will assist in the dedication, which will be an elaborate ceremony, Representatives Nominated, Republican county conventions Saturday made the following nominations of representatives: Washington, J. W. Ingham; Allamakee, C. A. Beeson; Des Moines, Charles O'Maly and Robert Egan for the house and Frank Canney for the senate; Senator Hogue was renominated by the Harrison-Monona-Crawford convention, Benedict Not for Clerk, Rush Benedict of Shelby county is not a candidate for re-election as clerk of the house of the thirty-second general assembly, He is a candidate for the republican nomination as representative from that county, but even if he should fall of that nomination it is understood he will not be a candidate for chief clerk of the house, As a result it is expected there will be quite a scramble for the position, which pays \$5 a day, There is also some talk that a number of candidates will be in the field in the course of time for the position of secretary of the senate, Democratic Conferences, Four democratic conferences will be held this week, Monday, September 24, the Tenth district conference will be held at Waterloo, Tuesday the Third district at New Hampton and Thursday the Fifth district at Cedar Rapids, Fifty-Sixth is Honored, The fifty-sixth regiment of the Iowa National Guard, which was sent to Fort Riley to exercise in the maneuvers there, is back and swelled with pride, One of the new-comers there on the Fifty-sixth was as follows: The regiment made a fine appearance as it marched from the train to the grounds, Many of the regulars were down to look cheer and some thought they had had much to say in a complimentary way had been the manner in which the Iowa boys did things, Everything they did Sunday after arriving, showed at least that they had well mastered the elementary things to which a soldier is instructed, It is the most soldierly National Guard that has been at the encampment this year, The companies are made up of clean, intelligent looking lot of young men, In detaching the men and sending them into camp, the officers showed knowledge of things that comes only from experience, The work was done with a hitch and there were no chaotic mixups as has been seen there so many times during the past few months, Special sale on etchings framed 18x20, oak frames, \$1.99 up, Picture framed 18x20, special, A good line to paper your home, See our new line of wall papers, Get our figures for home decorating, W. Senators by Direct Vote

Des Moines Preparing to Entertain Delegates from Many States, Twenty-eight States Represented, Governor Cummins Gets Off at Wrong Station and Forced to Pump a Headcar to Meet Appointment, (From a Staff Correspondent), DES MOINES, Sept. 23.—(Special.)—The fact that there has been so much political activity in the state of Iowa this year has seemingly completely overshadowed the fact that there is to be one of the greatest and most noteworthy gatherings in the country here this year, a convention of delegates from each state in the union appointed by the governors of the states for the purpose of discussing and formulating some plan for securing a constitutional amendment for a direct vote of the people for United States senators, The convention will be held at the statehouse December 5, a trifle over two months from now, The first move for the convention was in a resolution passed at the last session of the legislature authorizing Governor Cummins to call such a convention, at this time there are twenty-eight states, or a little more than half, that have made the necessary appointment of five delegates to attend the convention, Twenty-four states are on record as favoring the election of senators by the people and seventeen of these, Tennessee, New Hampshire, Kentucky, Illinois, Wyoming, Ohio, Utah, Florida, Washington, North Dakota, North Carolina, Idaho, Pennsylvania, Indiana, Colorado, South Dakota, Kansas, The states that have thus far answered the invitation of Governor Cummins to make the appointment of delegates to the convention in Des Moines next November are California, Colorado, Illinois, Indiana, Iowa, Kansas, Kentucky, Louisiana, Michigan, Minnesota, Montana, Nebraska, New Jersey, North Carolina, Ohio, Oregon, South Dakota, Texas, Washington, West Virginia, Wyoming, Georgia, North Dakota, Pennsylvania, Tennessee, Virginia, West Virginia, Maine and Massachusetts have answered the invitation to the effect that the laws of those states do not give them authority to make the appointment of delegates and hence they have necessarily declined, Under the provisions of the federal law, if two-thirds of the legislatures of the states petition congress to submit the matter to a constitutional convention the matter must be so submitted, This means thirty states, It is partly for the purpose of inducing enough other states to make the petition to bring it up to thirty that the convention here is to be held, Missing Man Found, The body of Carl Klumb of this city was found near the Golf and Country club grounds last night, with a bullet hole through the heart, He had been missing since August 9, Governor Works Handcar, Put off by mistake at a little waystation and with no means of reaching their destination, Governor Cummins and Senator Garet worked handcar in order to reach a speaking day, They had appeared at 8:50 City and addressed a political gathering, They took a Rock Island train and intended to the Northwestern at Gridley, but it was not the Rock Island but a name and a couple of toolboxes for the section men, With no other means Governor Cummins and Senator Garet, who is a candidate for lieutenant governor, with a number of others who had gotten off by mistake with them, boarded two handcars and made their way to Gridley, Shriners Dedicate Temple, The building formerly used for the First Methodist church has been remodeled and will be rededicated Thursday as a temple of the Za-Zig temple of the Mystic Shriners, Shriners from Omaha, Minneapolis, Kansas City, St. Joseph, Sioux City and other places have been invited and will assist in the dedication, which will be an elaborate ceremony, Representatives Nominated, Republican county conventions Saturday made the following nominations of representatives: Washington, J. W. Ingham; Allamakee, C. A. Beeson; Des Moines, Charles O'Maly and Robert Egan for the house and Frank Canney for the senate; Senator Hogue was renominated by the Harrison-Monona-Crawford convention, Benedict Not for Clerk, Rush Benedict of Shelby county is not a candidate for re-election as clerk of the house of the thirty-second general assembly, He is a candidate for the republican nomination as representative from that county, but even if he should fall of that nomination it is understood he will not be a candidate for chief clerk of the house, As a result it is expected there will be quite a scramble for the position, which pays \$5 a day, There is also some talk that a number of candidates will be in the field in the course of time for the position of secretary of the senate, Democratic Conferences, Four democratic conferences will be held this week, Monday, September 24, the Tenth district conference will be held at Waterloo, Tuesday the Third district at New Hampton and Thursday the Fifth district at Cedar Rapids, Fifty-Sixth is Honored, The fifty-sixth regiment of the Iowa National Guard, which was sent to Fort Riley to exercise in the maneuvers there, is back and swelled with pride, One of the new-comers there on the Fifty-sixth was as follows: The regiment made a fine appearance as it marched from the train to the grounds, Many of the regulars were down to look cheer and some thought they had had much to say in a complimentary way had been the manner in which the Iowa boys did things, Everything they did Sunday after arriving, showed at least that they had well mastered the elementary things to which a soldier is instructed, It is the most soldierly National Guard that has been at the encampment this year, The companies are made up of clean, intelligent looking lot of young men, In detaching the men and sending them into camp, the officers showed knowledge of things that comes only from experience, The work was done with a hitch and there were no chaotic mixups as has been seen there so many times during the past few months, Special sale on etchings framed 18x20, oak frames, \$1.99 up, Picture framed 18x20, special, A good line to paper your home, See our new line of wall papers, Get our figures for home decorating, W.
