Construction of Four Cut Six Enjoined by Magdelene Pivonka.

ACTS FOR OTHER SOUTH OMAHA PEOPLE

Contention is Work Cannot Be Done Until Money Sufficient to Complete is in Hand.

The construction of four of the six sewers last winter in South Omaha was enjoined in district court Friday by Magdelena Pivonks, a taxpayer, for herself and others interested. The restraining order secured from Judge Troup affected what are known was no increase in mileage. The mileage as the "Mud creek," "Jetter creek," "Highland park" and the "north branch N street gulch" sewers.

have been let by the city council is \$240,699, while the share of the bond issue apportioned in the election call for those four sewers was only \$304,000. It is onlended that the work cannot be done ntil sufficient money to pay the entire

The bonds were voted last winter and in the election notice the description of bids were called for it was found the amounts named in the election notice were The contract price for the Mud creek sewer was \$165.125.55, although but \$140,000 of the \$250,000 was alloted to this work. newer building toward the city and the

Now some of the taxpayers are objecting to the plan. They declare the Mud creek sewer will be completed just far enough to enable the Union Stock Yards company to connect with it, but not far enough to benefit other taxpayers. Jetter creek sewer, they say, will be constructed so as to be of benefit only to the

Jetter brewery. The election notices provided the sewers should begin at a certain point and end at a certain point and they hold unless these conditions are carried out the work should has been in controversy before, when Guy C. Barton enjoined the city of South Omaha and the Union Stock Yards company from sending their refuse through the open creek. An agreement was reached whereby structed to carry off the sewerage within
