GERMANS GIVE BIG PARADE

Parent of the Morning One of the Best Ever Seen in the City.

SIX OF THE LARGE FLOATS ARE HISTORICAL

Sports at Manawa in the Afternoon and Dance in the Evening Ends the Festivities of the Two Days' Celebration.

New if any better parades have ever been witnessed in this city than the historical and industrial parades, which formed the principal feature of the German Day celebration yesterday morning.

Music was one of the prominent features of the parade, there being no less than seven bands in the column. Nominally the juvenile band from Avoca attracted much attention, not only on account of the youth of the members, but also because of the really excellent manner in which they played.

The six large historical floats naturally were the center of attraction. Each was preceded by a banner announcing the title. The characters on the floats were correctly costumed and each float presented a striking and unique feature of the big parade.

The industrial portion of the parade, which was no less a part of the celebration, made an excellent showing. The Peterson & Scheninger company had the largest industrial display and was awarded the first prize, as also the first prize to the best historical float, "Founders of Germantown."

The feature of this firm's exhibit was a float representing long divided into four compartments, respectively fitted up and furnished as a kitchen, dining room, parlor and bed room. The John Berg company was awarded the second prize for its display, while the third was awarded to the Phosphor Brothers.

The Broadway & Daniels concert was one of the prettiest exhibits in the parade. The small trap drawn by an equally small team, a little, golden-haired girl, who projected her pretty face from the rays of the sun with a tiny parasol made of flowers, while the little carriage looked as if it were a fairy's chariot.

The parade was a success in every respect. The floats were well kept and the music was excellent. The parade was a success in every respect. The floats were well kept and the music was excellent.

REPUBLICAN LEADERS CONFER

Campaign Said to Be Progressing in a Favorable Manner.

Regarding the state campaign in Iowa, Chairman Frank B. Woods of the republican state committee, who was in the city yesterday in attendance at the conference of republican county chairmen of the Ninth congressional district, members of the congressional committee and republican and independent editors of the district, said: "Conditions on governor look very good, but there is a hard fight on the legislative ticket in most parts of the state. The prospects, however, are good for most of the republican congressional candidates. I believe that all the old candidates will be returned, but there is some doubt as to the election in the First district, where the republican nominee is a new man. Governor Cummins, despite the fight being made against him in his own party, will undoubtedly be elected by the normal majority, if not by a bigger one. The normal majority is about 5,000 to 30,000. Cummins cannot be defeated."

Reports from the several chairmen showed that the counties comprising the Ninth district were in good shape with every prospect for republican success. Those present in addition to Chairman Woods of the state committee were Congressman Walter I. Smith, State Senator C. G. Saunders, County Chairman Elmer E. Smith, George S. Wright, Ninth district member of state committee, Hon. Spencer Smith, all of this city; J. B. Barker, county chairman of Montgomery county; H. H. Herbert, Audubon county, member of congressional committee; A. C. Ross, Audubon Republican; P. B. Brown, Harlan Republican; R. B. Hull, Harlan American; J. McCabe, Logan Observer; D. H. Scott, Griswold American; F. F. Jones, Villisca, member of Iowa legislature; H. W. Byers of Harlan, candidate for attorney general; W. J. Davis, chairman of the state committee; W. P. Wortman of the Malvern Leader, chairman of Mills county committee; Walter Ellis, Red Oak.

Adair and Guthrie counties were not represented at the conference, which was held at the Grand hotel.

Notice! The celebrated Acorn line of stoves, ranges, base burners, heating stoves and furnaces, made in the world over, and acknowledged to be the best stove on the market for heating, cooking and durability. Do not buy until you see the Acorn. D. W. Keller, agent, 103 South Main street.

If you think of painting your house let us give you an estimate now. We guarantee the paint to be made of pure materials, mixed and put up by skilled mechanics, so when we paint it stays painted. We also have some odd lots of artistic wallpaper that we are closing out at low prices to make way for new stock. If you want good paper at little cost come see us now. Jensen & Nicolaisen, 238 Broadway.

THE MOST UP-TO-DATE RESTAURANT IN COUNCIL BLUFFS. GOOD BEER AND HOME COOKING. The Calumet restaurant, 230 Broadway.

Footpad Holds Up Woman. Mrs. J. Peterson was held up by a footpad Monday night near her residence, 123 South Sixth street. The ruffian compelled Mrs. Peterson to stand while he made a search of her clothing for money or jewelry, but failed to find either.

Mrs. Peterson had been calling on a neighbor and was returning home when the fellow stepped from behind a tree and ordered her to hold up her hands. Thoroughly frightened, Mrs. Peterson complied and the ruffian deliberately searched her clothing, while the unfortunate woman was so overcome with fear she was unable to make any protest or cry for assistance. When the fellow failed to find either money or jewelry he pushed Mrs. Peterson from him with a curse and walked away in the darkness.

The footpad was a white man and the police are trying to locate him. Mrs. Peterson was so badly frightened that she was unable to give the police but a poor description of her assailant. She described the fellow as tall and slender.

A. Metzger & Co. New Location of Wholesale Bakery, 513 Mynter Street, Co. Bluffs, Ia. Home-made Bread a Specialty. Visitors Welcome.

Here is a good chance to get a 13-horsepower Jackson touring car, almost new. On exhibition at Van Brun's buggy repository, Foster street. Will be sold very cheap. Call and see it.

35 cents. He had just completed a term of one year for a burglary which netted him 25 cents.

If you want a good position, finish a course at the Western Iowa college. Day and evening school. Enroll any time. Phone for information.

Wanted. First class shoe salesman. References required. None other need apply. M. Bargheit, sign of the bear, Council Bluffs.

For imported wines, liquors and Budweiser beer, go to L. Rosenfeld, wholesale liquor dealer, 513 South Main street.

COUNCIL APPROVES LIGHT CONTRACT

Mayor Announces He Will Sign it in Morning.

After a discussion lasting over two hours the city council, by a vote of 5 to 2, last night approved the revised lighting contract and Mayor Macrae announced he would sign it in the morning. The two voting against its approval were Clark and Olson.

It was past 10 o'clock when City Clerk Sapp took up the lighting contract and commenced to read it. As soon as he had read so far as the money money money that it be approved and the mayor directed to sign it. Councilman Younkerman, chairman of the fire and light committee, seconded it and then the trouble began. Councilman Wallace wanted to know why a provision for a moonlight schedule as well as an all night schedule had not been incorporated in the contract. He thought it ought to be optional with the city on which schedule to run, as on some nights as much light would not be required as on other nights.

Councilman Olson, who had been doing some figuring while the contract was being read, also had an objection to raise. He did not approve of using the entire lighting bill to pay for the 200 lights. He thought there ought to be a balance kept in the fund for new lights that might be required.

The contract for supplying the city buildings with coal was awarded to the Carbon Coal company, the only bidder. The price is based upon present freight rates, but if they increase then the price of the coal soars correspondingly. If the rates go down then the city is to pay less for its fuel. The price named for the anthracite is \$10.50 for anthracite in ton lots and \$14.50 per ton in car lots for Centerville lump. Prices were also named on several other varieties of soft coal, including mine run, Councilman Younkerman wanted the council to empower his committee to investigate the correctness of bills before attaching their O. K. to them. City Auditor McAneny suggested that all bills except the regular pay rolls and salary lists be held until the second meeting each month instead of being taken up and allowed at the first meeting as has been the custom since Council Bluffs was able to boast a city council. He contended this plan would give the councilmen better opportunity to investigate the bills before attaching their O. K. to them. City Auditor and city solicitor were instructed to draft an ordinance providing for this change and submit same at the next meeting.

John Mergen was granted a permit to conduct a saloon at 67 South Main street.

All-Week Big Demonstration. Containing Monday morning and lasting all week will demonstrate the new Cole's Original Hot Blast Heaters; all in operation at our store, 41 S. Main St. \$2.50 set of cooking utensils free. Paddock & Handechey Hardware Co.

Pictures for wedding gifts. C. E. Alexander, 333 Broadway.

Going to Open Big Farm. John H. Black of Gravel, one of the wealthiest farmers in Polk county, left yesterday for La Salle county, Texas, where he and his associates have purchased 2,000 acres of land. Mr. Black, who was accompanied by his wife and part of his family, intends to settle on the property and crop it. Two of his sons will remain in charge of Mr. Black's two farms in this county, comprising 600 acres. Mr. Black's home near Griswold is one of the finest country homes in southwestern Iowa. Accompanying Mr. Black yesterday were ten young men and their wives, who will form the nucleus for a settlement on the property. They will each receive eighty acres and a house erected for them by Mr. Black and will pay for same by half of the crops raised each year until the land is paid for. The first year they will be paid a salary by Mr. Black. Two car loads of commissary, farming implements, etc., accompanied Mr. Black and party yesterday.

If you need a sewing machine or want to rent a machine or want your machine repaired, call on Williamson, at 17 South Main street. He has machines to rent from \$10 up.

GIRL FOR GENERAL HOUSEWORK. WANTED. PLACE. A girl, 16 to 18 years old, clean, breadwinner & Smith, Fourteenth and 1/2 block, 103 South Main street.

The receipts in the general fund of the Christian home last week were \$12.25, being \$8.75 below the normal amount. The receipts in the general fund of the Christian home last week were \$12.25, being \$8.75 below the normal amount.

When my little boy was six months old, he had eczema. The sores extended so quickly over the whole body that we at once called in a doctor. He gave us a prescription, but it did not help him, and he could not sleep. Matters became so bad that he had regular holes in his cheeks, larger than the tip of a finger. The food he ate was so thick with crusts that he could not swallow it. He was so miserable that we were forced to give up. We had no other way but to try Cuticura. We used it for two weeks and he was cured. He is now a healthy, happy boy. Cuticura Soap, Ointment, and Resolvent, and within ten days or two weeks we noticed a decided improvement. He was equally as sick as he had appeared to be. He was so miserable that we were forced to give up. We had no other way but to try Cuticura. We used it for two weeks and he was cured. He is now a healthy, happy boy.

Up the Chimney is Where Half Your Fuel Money Goes When the Ordinary Stove is Used

Stove putty is universally used by stove manufacturers for making tight joints in heating stoves. While the stove is brand new the putty does the work asked of it. A hot fire for a few months cracks the putty, it drops out of place, leaving the stove full of air leaking cracks, allowing the gases and the fuel and a big part of the heat generated to be sucked up the chimney and thus wasted.

More than one-half of all the fuel you put into the putty jointed stove is lost in this way. If your old stove eats up more fuel and does not keep fire as well as it did at first, the reason is the stove putty has dropped out of the joints.

Cole's Original Hot Blast Stove Saves all Fuel and Heat Wasted by Other Heating Stoves.

Burns Soft Coal, Hard Coal, Crushed Coke, Lignite, Slack or Wood.

No stove putty is used in the construction of this economical stove; it is not necessary, owing to the patented construction which makes the stove practically jointless. Cole's Hot Blast is the only heating stove in the world which is guaranteed to remain always tight. On account of the absolutely air-tight construction of Cole's Original Hot Blast
