About Where to Obtain Your Business Education

We want you to take yourself over in a comer by yourself and ask yourself if it would be possible for us to have built up the record-breaking size of enrollment among all the business colleges of this section of the country—if it would have been possible for us to have acquired a patronage so large that we of all the business colleges of this section of the country now occupy wholly and solely the most complete and most costly business college building west of Chicago, if it would have been possible for us to have built up for our graduates a reputation for thoroughgoing, never-failing competency among the business men of Omaha, unless we did and do give our pupils the full benefit of infinitely superior courses, instructors and discipline.
