Outside of committee work no business was transacted by the Danish Brotherhood convention yesterday, the entire day being given over to the several committees to formulate their reports on the various matters entrusted to them. This temporary restraining order has not yet been vacated. The suit is to enjoin Larson from operating the saloon contrary to the mulct law of Iowa, and was brought shortly after the city election in the spring by Huber, who was defeated for councilman-at-large on the democratic tieket.
