SIZES FOR EVERY DOLL

Saturday will be DOLL DAY

Every little girl who brings her doll to our store Saturday gets a nice new pair of

Burson's Fashioned Hose to fit her dolly.

We only ask that each child be accompanied by some grown person. These little stockings are just like "grown up" sizes—knit to fit without a seam.

Saturday will also be a special sales day in our Hosiery Department, and special salesladies will demonstrate the famous Burson's Fashioned Hose.

The Boys' Feet

Must be Well Shod

We care for the boys' feet the same that we do for men's.

We take as much pains in selecting shoes for them as for any line in our stock.

Perhaps we give the boy a little better value than we do his daddy.

We are particularly greedy for boys' trade.

We take as much pains and care in fitting the boys' feet as we do the other lines we carry.

We have no one but experienced salesmen to wait on our boys' trade.

Our Boys' Special "Steel Shod" Shoes have stood the test.

The English Wedding Ring

We introduced this ring in Omaha several years ago and now it is accepted as the only proper ceremonial ring. The ring is a very narrow wire band of 18 carat gold, deftly wrought and finished in English gold color and bears our mark of quality. We also have these rings to fit the groom to be used in the double ring ceremony.
