### BRYAN MAKES TWO SPEECHES

Only Pair of Twenty-Minute Efforts in Northwest Part of Iowa.

### GOVERNOR CUMMINS TALKS IN BLUFFS

Brothers Who Have Been Separated Fifteen Years Meet in Jail, One in for Intoxication and Other as a Yag.

(From a Staff Correspondent.)  
DES MOINES, Oct. 12.—(Special.)—The extent of the campaigning of W. J. Bryan within the state of Iowa this year seems likely to be limited to two twenty-minute speeches, which he will make from the tail end of a train while passing through the northwest corner of the state on his way from Madison, Wis., to Canton, S. D. The train will stop twice for twenty minutes each at Emmetsburg, Palo Alto county, and at Sanborn, O'Brien county. It was announced today at democratic headquarters that Mr. Bryan would make twenty-minute speeches at each stop. The committee has been endeavoring for some time to get Mr. Bryan to promise some speeches in this state. The announcement was made after the trip of C. W. Miller, chairman of the state committee, to meet Bryan in New York that the Nebraska would speak here, but the exact dates could not be given then. There is three weeks left of the campaign now and there has been till today a very dubious air about

the state headquarters as to whether he could be secured at all or not.  
**Cummins at Council Bluffs.**  
Governor Cummins will speak at Council Bluffs on his return from making two speeches in Nebraska. This has been practically, though not definitely, settled by the state committee. It has also been practically settled that Cummins will not speak in Des Moines at any time during the campaign, but that he will speak in Dubuque the Monday night before election day. Though the dates are not determined upon, the governor will speak in Sioux City, Davenport, Council Bluffs and Dubuque. What other towns will secure him is not yet determined upon.  
**Secretary Leslie M. Shaw.** He had promised the Iowa state committee all of the last week before the election, today telegraphed Chairman Woods asking that he be relieved for one day, which he desired to put in assisting Congressman McCleary in Minnesota. He did not press the matter, however, and said that the state and congressional tickets in Iowa were his first consideration.  
**Dickinson Released.**  
H. B. Dickinson, indicted for the murder of Irene Hydenburg, the Eldora telephone girl, will be released soon from the county jail on bond, according to expectations. Dickinson's attorneys succeeded in inducing Judge James A. Howe to reduce the bond from \$10,000 to \$5,000. The attorneys declared they could raise a bond of that amount.  
**Turn in Helms Cases.**  
A turn was taken in the helmsy cases of General Manager Hippe of the Des Moines Street railway and A. H. Hadley, an employee of the company today, when Judge Spurrier, as attorney for the street car men, was given a star chamber session before the grand jury. Both the county attorney and the grand jury stenographer were excluded from the room. Alderman Hamery, who filed the charge of bribery against the two men in justice court, later asked for the same privilege of a star session and was refused.

**Brothers Meet in Jail.**  
Roger and Andrew Kelly, brothers, who fifteen years ago left home together in Vermont, met today for the first time in the Polk county jail. One was released on a thirty-day sentence for vagrancy and the other from a three-day sentence for intoxication. They met in the corridor of the jail as they were being released from custody and the meeting was affecting. Before leaving they promised themselves and the jailer that they would straighten up and go to work and live honorably from this on.  
**Sanitarium in Bankrupt.**  
William A. Benadon, proprietor of a sanitarium of that name in this city, has filed a petition in voluntary bankruptcy, being forced to do so by a \$10,000 damage judgment. His liabilities are \$12,287 and his assets \$2,000.  
**Sues for \$50,000.**

**Electric Line from Omaha.**  
The American Electric Railway company today filed articles of incorporation with County Recorder Dodson here, the object of the company being to build an electric road from Omaha to Chicago and to pass through Winterset and Des Moines on the

way. The capital stock is \$200,000. C. W. Baker is president, J. D. Pollard vice president, and Charles F. Castleman, secretary. The officers are Illinois people. The road is to pass through Greenfield and Council Bluffs on the way west and through Davenport and Muscatine on the way to Chicago.

Coach Peil of Drake university foot ball squad, left this morning for Lincoln, Neb., where they meet the cornhuskers tomorrow. The Drake boys are not over confident of winning the game and would have been content to meet the Nebraska team later in the season.  
**Fatal Disease Among Cattle.**  
PORT DODGE, Ia., Oct. 12.—(Special.)—Cerebro-spinal meningitis, one of the most deadly cattle diseases known, has broken out in a most malignant form in herds of farmers near here. Already over a hundred cattle have died, twenty-four of them being of one herd of blooded stock belonging to George Ambrose. The state veterinarian has been called and has ordered quarantined all cattle afflicted. The disease starts with an itching in the nose. The animal suffers great pain and rubs its nose constantly on the ground, finally dying in great agony.

T. Chambers. Mr. Dixon is also the nominee for the full term.

**Chambers Held for Murder.**  
GUTHRIE CENTER, La., Oct. 12.—(Special.)—Ed Chambers, charged with the murder of his neighbor, Charles Neal, was held to the grand jury following the preliminary hearing, which ended here today. Chambers was refused bail by the court and was taken by Sheriff Brown to the county jail, where he is being held.

### NEW STRENGTH FOR OLD BACKS.

When past middle age, there comes a noticeable weakening of the organs of the body, and the danger of quick decline. It is quite necessary to give prompt help to any part that first shows signs of wear.  
Healthy kidneys mean a hale old age. Weak kidneys bring constant backache, lame back, stitches and twinges of pain, annoying urinary troubles, and the danger of diabetes or Bright's disease. There is likely to be a loss of albumen and a gain of uric acid, and other poisons, with loss of flesh, vigor and nervous force.  
Doan's Kidney Pills bring quick help to sick kidneys, and are entirely free from poisonous drugs; it is a remedy that can be taken by young or old, weak or strong, and in every case with prompt benefit.  
If you have backache, lame or weak back, quick pains when stooping or lifting; if you are tired and nervous, have headache, dizzy spells, watery swellings under the eyes or around the ankles, rheumatic or neuralgic pain, gravel, scalding urine, too frequent passages, sandy or stringy sediment in the urine, scanty or discolored urine, or passages at night, be sure your kidneys need attention.

"Every Picture Tells A Story"  
Doan's Kidney Pills is the best medicine to use. It has cured thousands and will cure you.  
**OMAHA PROOF:**  
Mrs. C. G. Wiklund of 819 South Twenty-fourth street, Omaha, Neb., says: "Mr. Wiklund has as great faith in Doan's Kidney Pills today as he had when he gave a statement touching on his experience with an opinion of this remedy for publication in our Omaha papers in the spring of 1899. For a number of months he was troubled with pain in the small of his back. At first, he gave the annoyance little thought, but it gradually grew worse and more persistent, the nature of his work being in the heat of an engine room during the day and the sudden change when he went out nights adding to it, if not bringing on the complaint. He found that relief if possible, must be had. Just at this time his attention was called to Doan's Kidney Pills. Procuring and using them, the trouble was quickly banished and much to his gratification, the cure has been a lasting one. The merits of Doan's Kidney Pills were proven beyond a doubt in this case."
