Get some romping, healthy, real live children at your house? With big appetites and wonderful power of "kicking out" shoes? They're the youngsters we're after.

We want to prove to you that our children's shoes are made of the "stuff that wears."

You'll notice the difference between our shoes and the other kind as soon as you give them a trial.

We use nothing but the best of selected leather and the shoemaking is the best that skilled labor can produce.

Buy your next children's shoes of us and we'll satisfy you that our assertions are true.
