and every one demands quality and prime condition of the meats that their table is served with. The best in meats is not always to be had. The best is only obtainable by extreme care from the feeding of the cattle to the block in the market. In other words, from the farm to the cook stove, for you get that kind if you deal with us.

For your Sunday dinner, we will have the choicest, fattest spring chickens, beef, pork, veal and mutton.
