

BLUFFS BANK IS THE LOSER

Supreme Court Reverses Sale Involving Collection of Bank Certificate.

RECORD ATTENDANCE OF TEACHERS

Democrats Hope to Secure Bryan for Speech in Des Moines on the Evening of October 20.

(From a Staff Correspondent.)

DES MOINES, Oct. 22.—(Special.)—The supreme court today held that the Commercial National bank of Council Bluffs did not make a bona fide purchase of the \$50 certificate of deposit on the Citizens' State bank of Armour, S. D., and cashed by Frank Dwyer at the Buck Grove bank of Buck Grove, Ia., April 5, 1904, the day the Buck Grove bank went into the hands of a receiver. As a result, the case is reversed in favor of the South Dakota bank and Frank Dwyer. The decision is in the case of the Commercial National bank of Council Bluffs against the Citizens' State bank of Armour, S. D., and Frank Dwyer, in which the defendants are the appellants. Dwyer deposited funds with the South Dakota bank and took a certificate of deposit for \$50, on which the bank later paid \$50. April 5, 1904, Dwyer went to the Buck Grove bank of Buck Grove, Ia., and left the certificate of deposit for collection and the Buck Grove bank sent the certificate to the Exchange bank of Des Moines, the proprietor of which was also the owner of the Buck Grove bank. The Exchange bank sent the certificate to the Council Bluffs bank to cancel an obligation which the Council Bluffs bank had against it. The same day the Exchange bank and Buck Grove bank went into the hands of a receiver. Dwyer put up the defense that he had not received the money and that the bank, being insolvent on the day he left the certificate for collection, the payment should come to him. The district court of Woodbury county directed a verdict for the Council Bluffs bank. The supreme court today held that the Council Bluffs bank had received the certificate only tentatively and would have given credit only in the event of its payment by the South Dakota bank and had not made a bona fide purchase of the certificate.

Big Gathering at Cedar Rapids

There were 1,499 teachers and over present at the "Southwest" association meeting in Cedar Rapids last week, which is a larger gathering of teachers than was ever brought together in the state before, not excepting the state association meeting holiday week. The institute was one of the best in the state. The Southwest district institute will be held at Atlantic in Cass county next week, and if the same large attendance is present it will tax the capacity of the hotels and boarding houses.

When you have a Bad Breath—Wake up!

WAKE UP! It's time to take a Cascaret.

- When the friend you speak to turns his face the other way.
-When your tongue is coated.
-When you have Heartburn, Belching, Acid Rising in throat.
-When Pimples begin to peep out.
-When your Stomach Gnares or Burns.
-That's the time to check coming Constipation, Indigestion and Dyspepsia.
One single Candy Cascaret will do it if taken at the right minute, just when you first feel the need of it.
Do it now!

Cascarets don't Purge, nor Weaken, nor waste Digestive Juices in flooding out the Bowels, like Salts, Castor Oil, "Physics." But, they act like Exercise on the Muscles that shrink and expand the Intestines, thus pushing the Food on Naturally to its Finish.
When your Bowel-Muscles grow flabby they need Exercise to strengthen them—not "Physics" to pamper them.
Cascarets provide the bracing tone that is needed specifically by the Bowel-muscles.

Then carry the little ten-cent "Vest Pocket" box constantly with you, and take a Cascaret whenever you suspect you need it.

One Cascaret at a time will promptly cleanse a foul Breath, or Coated Tongue, thus proving clearly its ready, sure, but mild and effective action.

Have the little 40c Emergency box of Cascarets constantly near you!

All Druggists sell them—over ten million boxes a year, for six years past.

Be very careful to get the genuine, made only by the Sterling Remedy Company and never sold in bulk. Every tablet stamped "CCC."

to entertain the crowd. The institute at Cedar Rapids is the first of the district meetings for this year and its attendance is expected to be a prophecy of the attendance of all.
Democratic Bill Vacated.
The democrats of O'Brien county have filled the vacancy in the representative ticket from that county by nominating C. C. Cannon. The convention nominated W. H. Myers, who later withdrew.
Internal centers in the O'Brien contest because at the last session Whittier, the democrat who moved to Blount City, was seated over Youde, the republican elected at a special election. Whittier attended but a few sessions of the house after seated.

Democrats After Bryan

The democratic state central committee today took an option on the auditorium for October 25, in anticipation of being able to get William J. Bryan to speak here on that date. The committee expects to know by tomorrow whether or not he will come. That is understood to be the only possible date for securing him for this state.

MONOPOLY IN GRAIN

He defended the 14 cents allowance and declared that the others got just as big advantages from railroads as his company, only they had better ways of hiding it. He declared that other systems were unfair, instating the Milwaukee. He said he had to go to a competitor, the Simonds-Shields company, to send a car of grain out over that road. George K. Walton of the Logan Grain company, testified that on September 28 he ordered five cars of grain to the Milwaukee elevator with instructions to the Simonds-Shields Grain company to unload, reload and get the grain out as soon as possible. It took until October 8 to get the grain reloaded and shipped. During the time he was urging action there were 212 cars loaded out by the Milwaukee elevator.
