Meat Department

Our meat cutters stand ready to cut for you the choicest meats, delicacies obtainable. A good deal in the cutting. By the way, many a fine side of beef, many a leg of mutton, is ruined by inept work on the part of the cutter. We buy the best and tenderest meats and cut them up with skill. Need we say more to ask for a sample order—our prices are the very lowest consistent with good quality?

Our Fresh Fish Dept.

Is well stocked with all varieties that it is possible to get. The bad weather, however, has delayed all shipments and housekeepers will not find the varieties this week in fish that they might wish.

Friday's Special

In fish we will sell fresh caught and dressed Bullheads, at 11c per lb.

Potatoes

Let us have your order for your stock of winter Potatoes now, as we have six carloads on the way from the "Red Hills" of western Nebraska which we will sell in lots at 60c per bushel.
