Go back a few years under republican administration and you will find the country prosperous. Wages were good and wage earners could get employment until Gover Cleveland was effected. ## **REMARKABLE DEMAND FOR COOPER MEDICINES**

The Phenomenal sale of L. T. Cooper's new preparations proves the many reports of their marvelous curative properties.

The demand for Cooper's New Discovery and Quick Relief, which have effected such remarkable cures of stomach trouble, rheumatism, deafness and catarrh, has become enormous. ' Newspapers in every city have commented upon the curative powers and on the un-precedented demand of these remedies. Thousands of letters come every day to Mr. Cooper describing some of the most remarkable recoveries from the ravages of disease that have been brought to the attention of the public in recent years. A most remarkable letter was recently received from Mr. H. Jordan, a well known restaurant proprietor of Scranton, who writes Mr. Cooper as follows :

"I have suffered for the past three years with a severe case of tomach trouble. I could eat next the nothing and suffered untold agonies from indigestion. My food would sour after eating and I weight and grew weak and nervos. I doctored with many dif-ferent physicians and tried a number of so-called remedies, but re-ceited no relief. Reading of the remarkable cares of stomach trouble effected by Cooper's New Medicines, I decided to give them and in weight and grew or the New Discovery and received al-most immediate relief. My appetite has returned and I do not ex-perience any difficulty in digesting any thing I cat. All pain and and weight. I desire to thank you for the good these remarkable meastimes have done for me." Signed: MR. HENRY JORDAN. The Pean Ave., Scranton, Pa.

Nearly all diseases originate in the stomach. Cooper's New Discovery acts directly on the stomach and diges-New Discovery attactive the gastrie juices, which are an all-important factor in the proper digestion of food. Cooper's New Discovery and Cooper's Quick Relief are the preparations with which L. T. Cooper effected his re-may kable cures in St. Lonis, New Orleans and other arge cities, and results have amply proven that they can be used in the home with as much success as though administered personally by Mr. Cooper or his physicians.

Cooper's New Discovery costs \$1.00 per bottle; six for \$5.00. Cooper's Quick Relief costs 50c. You can get them of
