

# Stand Squarely on the Platform

TO THE REPUBLICANS OF NEBRASKA:—

The platform adopted by the Republican State Convention, held at Lincoln, August 22, makes the following distinct promises of state legislation in the interest of the people:

1. Laws to compel the railroads to pay their taxes at the same time and in the same manner as a private individual.
2. A direct primary law for the nomination of all state, county and district officers, including congressmen and United States Senators.
3. A law prohibiting free passes in all forms, except to bona fide railway employes and their immediate families and care-takers of live stock.
4. Laws fully empowering the new State Railway Commission to prohibit rebates, discriminations and special rates to corporations, persons or localities, and to see to it that any and all abuses are corrected and equitable freight and passenger rates obtained for the people.
5. In event of failure of the constitutional amendment or its being declared invalid, laws giving the people of this state the same advantages congress has already given the nation under the railroad rate bill in matters of interstate commerce.
6. A law along the same lines as adopted by congress touching the liability of employers to their employes, permitting recovery for injuries notwithstanding the negligence of a fellow servant.
7. Legislative appropriations to meet current expenses of state government only under the most rigid economy.
8. A law providing that railroad property in cities and villages shall be assessed and taxed the same as other property for city and village purposes.
9. A law insuring inspection and uniform tests of dairy products.

As the republican nominees for our respective legislative districts, we hereby pledge ourselves, if elected, to support and vote for measures that will carry out each of these promises.
