but later the demand slackened and the market became quieter. Shorts and commission houses were active bidders at the opening because of firm cables and continued synal receipts in the northwest. The small needs of the northwest. The small needs of the northwest that a bullish effect later in the total, the total movement being only 651,000 bu., against 1,464,000 bu. for the same day last year. The flour situation at 81. Louis also left strength to the market. One report claimed that one of the largest mills in 81. Louis also left strength to the market. One report claimed that one of the largest mills in 81. Louis had soid more flour in the last two days than during the entire previous month. Late in the day there was some selling brought out by reports of improved seeding conditions in Russis. The market closed steady. December opened 1654, and closed at 744,00 Clearances of wheat and flour were equal to 565,300 bu. Minneapolis, Paluth and Chicago reported receipts of 48 cars against 502 cars cars last week and 806 cars one year ago.

Small local receipts and the strength of wheat caused a firm corn market early in the day, but prices soon caused off, although the market was steady until the close. Cash, houses reported an increase in the marketing of new corn as well as of the old, and there was free selling by these interests against cash purchasers.

One cash bouses reported an increase in the marketing of new corn as well as of the old, and there was free selling by these interests against cash purchasers. One interests against cash purchasers.
