Attorney General Chjects to Grain Rates Made rom Nebraska to Gulf.

OTHER STATES INVOLVED IN THE SUIT

Kansas Town and Society Alleg Other States Are Favored at the Expense of Sun-Hower State.

WASHINGTON, Nov. 1.-All railroad perating in Oklahoma have been made decondents in a compliaint filed with the Interstate Commerce commission today by the territory, through its attorney general W. O. Cromwell, the charge being that exfortionate rates are charged on shipments of wheat to Galvest and that points i Arkansas, Missouri, Kanzas, Neoraska Iowa and Indian Territory are favored The complaint is the result of agitation of

Complaint was filed by the Howard Mill. company of Wichita, Kan., that the Missouri Pacific, Atchison, Topeka & Sant. Fe; Chicago, Rock Island & Pacific, Chicaro, Burlington & Quincy: Denver & Ric Grande, Bouthern Pacific and Union Pacifi railroade are maintaining unjust differen tials against flour and in favor of wheat shipped from Wichifa to Pacific coast terminals and points in Arigona. It is claime that this discrimination operates disastrously to the flour mills of Ransas and upbuilds the Pacific coast mills, and the emplainant urges that the differential be

abolished. A complaint was also filed with the comission by the Farmers', Merchants' and Shippers' club of Kansas against the Atchison, Topeka & Santu Fe and Guif, Colo rado & Santa Fe and numerous other roads that extertionate rates are charged from Kansas points to Galveston and more favorable rates are given to points further north in other states.

It is declared in the complaint that a Oklahoma to Galveston is not cess of 7.75 mills per ton mile.

teen railroads involved have established uniform rates and that all discriminate in favor of the longer hauls from points which

> FINGER PRINT FINDS MURDERER Man at Fort Leavenworth is Under British Sentence of Life Imprisonment.

Monday. The sudden termination came as by finger prints, just reported to the War a surprise, but it was stated that this step department, was the discovery in the perras taken for the purpose of summen'ng son of a soldier at Fort Leavenworth of a The man was a prisoner in the United apers. None of the officers of the railroad States penitentiary serving a five-year sentence for a military crime. In prison he Attorney Bourgeois of the raffrond com- was well behaved and liked, but when pany offered the extensive resources of the the warden, following the general order to take the finger print- records of all soldiers, attempted to secure an impres-Conductor Curtis, who testified first, de- slop of this man's digits, he met with vionied he had been warned before leaving lent resistance, and the assistant who Camden that anything was wrong with the tried to make the record was knocked down and roughly handled. Suspecting ided bump just as the accident occurred, that this resistance was based upon the green as though the train had met some obstruc- man's previous knowledge of the use to which these finger prints might be put and that his record was bad, the warden sent copies of the prints to the police authorities in a number of cities. Within a comparatively short time Scotland Yard 'reported that the man had committed an atroclous murder in Malta; that he had been sentenced to life imprisonment, and had escaped to America.

FORT LEAVENWORTH, Kas., Nov. 1 .-Two men whose identity was discovered through the finger print system is James wn, who, while serving in the English army, killed a fellow soldier at Malta. After coming to America he enlisted in an artillery battery under the name of Julius McDonaugh. Last November he assaulted and nearly blind a comrade of his battery. He was tr'ed in the cust by court martial and sentenced to ten years in the penitentiary. The English officials have said he is not wanted there and they hope he will remain away from England.

BONI PLAYING FOR DELAY

Count Castellane Still Hapes of Recon-

ciliation with His Wife. HE WRITES MANY LONG LETTERS TO HER

His Probable Defense of Charges of Infidelity Will Be Unproven, and This Means Further Post-

PARIS, Nov. 1.-In spite of the statenents made yesterday by Maltre Cruppi in the opening address of the case of Countesa de Castellane (who was Anna Gould of New York) for divorce from her husband, Count Bool de Castellane, that there was not the faintest possibility of a that the count has abandoned hope of such began appears to have been based upon This theory will explain the count's is also disclosed that the count never ceased One Cloth, Bax416 yards long, \$17.50; half | writing letters to his wife in which he begged for a reconciliation and in which anathematised the American lawyers under whose influence he charged she was

Friends of Count Boni say he was dumfounded to learn that the countess had allowed the presentation yesterday of a Four Cloths, 2x314 yards long, \$7.50; half detailed case. He was so confident that his wife would surrender that he did not pre pare a defense. It was only today that the focuments which under French law must be exchanged were transferred to counsel for the opposition. These papers amount in the main to letters written to Count Boni by his wife and which show the consame material, it's 27 inches wide and tempt in which she held her husband. These very appropriate for underskirts of petil- letters probably will necessitate the produc-

Count's Probable Defense. It seems certain today that Count Boni's tefense to the charge of infidelity will be 'unproven' and that he consequently will demand an inquiry and the production of witnesses for the purpose of prolonging the case, his idea being to accomplish a reconeffication. This would open a road to extri These hose are very elastic, have double cate the count from the money difficulties with which he is beact,

The calling of witnesses is what the at orneys for the countess are particularly anxious to avoid, as doing so would drag in some of the highest names of France. Mattre Cruppi yesterday gave no clue to the persons referred to as "Mme. A.," "Mme. B.," "Mme. C." and "Mme. D.," except to those persons familiar with current gossip. If an inquiry can be avoided the decision probably will not be rendered before No-

Maitre Cruppi expects to speak for an hour and a half Wednesday, and the remainder of that session of the court will be given to Maitre Bornet of counsel for the count. The court will then adjourn for a week in order to give the public prosecutor, who, under the French law, represents the interests of the community, an opportunity to present his conclusions After this there will be a delay of another

Rumors of Two Duels. The reports that the husbands of two of the women crerred to yesterday have ood of \$1,000,000 and considerable damage challenged Count Boni to duels are with- their he mets and uniforms ruined Roundsout confirmation. As a result of the efforts man Frank J. Dunn was struck on the head IMPERIAL; Cal., Nov. 1.-Haif of the of Count Boni de Castellane to prevent the by stones and seriously injured. The police ow of the Colorado river was today turned publication of the news that the suit for declars that the trouble was started by rom the break in the river banks into the divorce brought against him by his wife old channel. Success is attending the work came up for a hearing yesterday, not more in the street to break up the police at every stage and at the present rate of than a third of the newspapers mention protection of a passing automobile. progress it is believed that by Saturday the this fact and not a single detail is printed entire volume of water will be flowing in here, the law making the publication of men," the woman is said to have shouted.

Wife Charged with Bigamy. NEW PORT, R. I., Nov. L-rapers in a ift for divorce were served today on Mrs. Aurel Batonyi by her former husband, J. Burke Roche of England, who alloges bigamy as he ground for his suit. A year or more ago a decree of div ree was granted each time a man was caught he was resin a court in Delaware to Mrs. Burke cued by companions, Roche, and she was afterwards married in his present suit that under the laws of England the divorce granted to his wife was not valid and he charges her with blgamy.
