"The plaint of the Omain High school team that the cleven is not receiving the support of the students it should is not well taken," said a man prominent in athiestics. "The trouble with the high school team is the management does not attend to advertising the games. The high school boys have a good team and deserve better patronage, and will have it it the management will only let the percole know when the games will be played instead of guarding the dates as some great secret."

with the best prospects in years before it, fate has handed the Creighton foot ball team some hard knocks. It seems to have been singularly unfortunate in this respect all year, scarcely a game being played but has added to the list of cripples. In the Morningside game Putnam sustained a surained knee in the Bellevne game Captiain Lamphier suffered what at the time was inought a sprained ankle, but on later examination proved a fractured leg: Rooney dislocated his shoulder, and Coad got a sprained wrist. Saturday's victory revived the students' confidence, but this work's acriminage has dealt the final blow: Moreover, a sprained show, briefly tells the laie of misfortune. In sofilition to this, Aylesworth was so injured by playing in the Bellevne game while sick that he has been forbidden to again enter the game this year. Four or five of the regulars are all that will appear in the game Baurrlay with Annity, and it is up to the scrubs to make good, or eise a disastrous close to a season full of prospects is inevitable.

Foot Ball Off at Plattamouth.

Plattsmouth.

Plattsmouth. Neb... Nov. 1.—(Special.)—Because of the attitude the boys composing the high school foot ball team took in regard to the regulations they had adopted. Superintendent E. L. Rouse has stopped their playing for the present year. The boys had been told that one of the students was disqualified from playing because he was behind in his studies, but the boys insisted upon his playing in the game last Saturday with the Nebraska City team. Monday the boys were given an opportunity to repudiate their conduct. Tuesday morning some of the boys came to school in mourning because their manager had been removed, whereupon the superintendent promptly amounced that the whole business was off.

CHICAGO, Nov. 1 .- Charles Whitney Noron, said by the police and the postal authorities to be responsible for extensive swindling operations, is under arrest here and will be turned over to the federal officers by the police who took him into custody. It is asserted by the officers that Norton would obtain stock from any person who would trust him and agree to sell it in the market. They would receive no money from Norton nor would the stock be returned to them, the officers alloge.
