Regarding the two suits brought by the Stewart family for alleged damage to their

property opposite the high school building by reason of the peculiar construction of the paving at this point, which it was complained caused the surface water to flow into the low city. Senator Kimball recommended that the city reconstruct the paving so as to avoid the condition complained of. The matter was referred to the city engineer, city attorney and Councilman Wallace, with instructions to report back to the council.

Under the new rule the consideration of the monthly list of bills was postponed until the next meeting, only the pay rolls being allowed last night.
