

# Don't Vote a Franchise Worth a Million Dollars to Heim, the Kansas City Brewer, for Nothing Vote No

None of the promoters deny that this franchise is a wide open proposition to put money in their pockets, but try to get you to overlook that fact by making misleading statements about the Nebraska Telephone Company.

## Vote No

The promoters say you will get business telephones at \$1 per month and residence telephones at 50c per month, but the franchise don't say so. It says you MAY, not that you SHALL.

## Vote No

The franchise gives unlimited use of the boulevards and parks. The right to string open wires across any street or boulevard in our city. The right to build subways for rent as well as for their own use.

## Vote No

How can anybody justify such a wholesale gift of the people's rights to a gang of franchise grabbers?

## Vote No

Where does this gang of promoters expect to get back the money they have spent and are spending except from our citizens.

## Vote No

Did any promoter ever give the citizens of Omaha anything that they didn't charge several prices for?

## Vote No

Is Heim, the millionaire brewer, going to spend his money on you or make another million at your expense?

## Vote No

Ask yourself a few questions, then you will go to the polls and
