OUR LETTER BOX.

Bryan League Bolts Hearst. OMAHA, Nov. 4.—To the Editor of The Bee: It is as I feared and intimated in the Bee a few days ago it would be.

"He won't repudiate it, you can be sure of that," Mr. Bryan declared for Hearst because he could not afford to be put down as irregular.

"It will be recalled," says the truthful Mr. Drillin, "that Mr. Bryan stumped New York and the rest of the country for Judge Parker in 1894.

Specifications of Mr. Bryan's power to do things which he says he does not want done may be reduced to two, as follows:

First, according to President Drillin of the New York Bryan league, by stumping the country in 1894 for Judge Parker, he influenced 1,000,000 democrats to vote for Theodore Roosevelt.

Secondly, Mr. Bryan writes a letter to Bird C. Coler of New York containing an appeal to all friends he may have in that state to vote for that unspeakable scion, William H. Hearst, and the Bryan league immediately declares that it will support Hughes.

I am now convinced that if Mr. Bryan had made a few speeches more than he did in this state for Parke in 1894, the vote for Roosevelt would have been unanimous.

Gained Ten Pounds in Two Weeks

MR. J. B. COOPER.

Mr. J. B. Cooper of Scottsville, Ark., who wasted away from 180 pounds to 150 pounds in a few months, praises Duffy's Pure Malt Whiskey for restoring his health.

It required only two bottles to effect a cure and increase his weight 10 pounds, according to his own statement, written June 6, 1906, which follows:

"During my seventeen years as a salesman of general merchandise I have lost about six months' time only until recently, when I contracted a severe attack of bronchitis which made me feel as though I had consumption.

"I had been bothered with a slight cough for eight or nine months. I lost in weight, from 180 to 150 pounds. My doctor recommended Duffy's Pure Malt Whiskey as the best cure for consumption, so I decided to try it, and after using two bottles sweetened with rock candy, I gained ten pounds in two weeks.

"It certainly does all the doctor told me it would do, and is the most effective tonic and stimulant I have ever taken. The doctor had me order some of it for his patients, so you can see what he thinks of it."

Respectfully yours, J. B. COOPER.
