THOMPSON BULDEN & CO.

Howard, Corner Sixteenth Street.

Tennessee is welcome, thrice welcome to the state of Iowa.

The pleasure we experience in attending to the needs of our customers is our chief aim, and we are proud to have the approval of our customers.

It gives me pleasure to know that among your number is that perfect embodiment of American womanhood, the life companion of that dashing, victorious hero of the Civil War, General John A. Logan.

General John C. Black showed himself to be a finished orator and his eloquence appealed to the audience.

When General Black rose to speak the Elks' quartet, with their splendid voices, had just left the stage after responding to an encore to the singing of "Old Black Joe," which they had done in a way that brought the house to their feet.

General Black paid a glowing tribute to the brightly colored of General Howard, to the "Old Black Joe" which he had sung for him the empty stage and the good service he has since done in time of peace.

good name of Idaho and the people have given their unqualified approval of all the things done by Governor Gooding in maintaining law and order in this state.

NEVADA. RENO, Nev., Nov. 8.—The indications are that the democratic will carry the state by a majority of one in the state senate.
