THE STOETZEL STOVE COMPANY

714 South Sixteenth Street.

We are wholesale agents for every stove we sell, that accounts for our being able to sell a much longer lasting stove for the same price than you can buy elsewhere. People are finding that out; that is the reason people who want long lasting stoves and take no chances, buy of us. We sell nothing but stoves, consequently we put our whole attention to the stove business and that is another reason we sell better stoves than you buy elsewhere.

A real genuine steel range will last from twenty years to a lifetime. We sell any size at \$5.00 per month or cut the price for cash.

Solar double heater baseburner. It is the double heater that makes the Solar so popular. We sell any size at \$5.00 per month, or cut the price for cash.

Mr. Smith, 454 William street, says: "The Queen we bought of you six years ago is as good as new; we have spent a cent on it for repairs and it works like a charm."

Mr. Tomlin, 1708 South 26th, says: "We consider ourselves under obligations to you for selling us such a good base burner. We know it is better than others because we have compared it."

DRESSY APPAREL

YOU can't draw the line too sharply in placing your order for first-class—up-to-date—stylish garments. You should aim to place your order with a house—where the tailors—cutters and fitters are in active practice—and where you'll find a most generous assortment to select from—at moderate prices.

That's at Nicoll's.
