Liverpool closed unchanged on wheat and 'same sywer on corn.

Argentina estimates: Wheat, \$50,000 bushels, sagainst \$64,000 bushels last week and \$80,000 bushels last year; corn, 2,800,000 bushels, last week 5,000 bushels, last year 1,100,000 bushels.

The Market Record says today: "The wheat grop raised last year must have been at least 20,000,000 or 25,000,000 bushels more of regular apring wheat than was ruised in 19%. The conclusion therefore is that the prevailing prices of wheat in the northwest are too low, ail conditions considered."

Prices on Board of Trade.

CHICAGO, Nov. 15.—The local wheat market today made a substantial rally on covering by shorts, who were induced to buy by the assertion that the entire spring cray of Minnesota and the Dakotas will be needed for home consumption. The close was strong with the December delivery up the fact of the consumption. The close was strong with the December delivery up the fact of the consumption. The close was strong with the December delivery up the fact of the provisions were 50 the a shade higher. Provisions were 50 the liberal, but demand was stack. Commission houses were the principal sellers at the opening. As trading progressed a prominent lung became an active seller and this brought out considerable offerings by pit traders. A feature of the market was selling of the December option and the buying of May at a 5c difference by elevator interpets. This led to a mainer that the slevator concerns intend to make heavy deliveries on the first of next month, and this caused additional selling by discouraged holders. Upon receipt or news from Minnesoulis declaring that there is caper interests. This led to a music that the elevator concerns intend to make heavy deliveries on the first of next month, and all caused additional selling by discouraged holders. Upon receipt or news from Minneapolis declaring that there is an urgent demand in the northwest for spring wheat, the market became strong and trading much more active. In the effort to cover sales local shorts forced up prices nearly to from the lowest point. The market closed strong, with prices at the top. December opened 4x to 44044c to wer at 75c to 740745c, where it closed. Clearances of wheat and flour were equal to 500,000 bu. Primary receipts were 213,000 has, compared with 1,350,000 bu, on the same shy last year. Minneapolis, Duluth and Chicago reported receipts of 625 cars, against 1,041 cars last week and 1,056 cars against 1,041 cars last week and 1,056 cars as year ago.

Chicago reported receipts of 628 cars, against 1,041 cars last week and 1,056 cars a year ago.

The corn market was steady early in the day because of small local receipts and later in sympathy with wheat. Trading in general was quiet. The market was also affected by a report that the corn acreage of Argentina had been reduced by 5 per neat. The close was steady. December opened unchanged to 426-44% and closed at 425-514% c. Local receipts were 168 cars, with 28 of contract grade.

Trading in oats was dull and the market was steady. The crop movement continues light and the cash demand fairly active. Commission bouses were the principal buyers. December opened is lower at 345-25-26. Local receipts were 18 cars.

Provisions were strong all day and the volume of trading was large. Shorts and local packers bid actively, being influenced by the light movement of live hogs. The market was also affected bullianly by the small stocks of lard held in Chicago. Selling was chiefly by local longs. At the close January pork was up 10c at 114-69. Early was chiefly by local longs. At the close January pork was up 10c at 114-69. Early was chiefly by local longs. At the close January pork was up 10c at 114-69. Early was up 16c at 28.70.
