TIGERS READY FOR BLUES

Great Interest in Foot Ball Battle at Princeton Today.

BOTH TEAMS IN SPLENDID CONDITION

Vanguard of Big Crowd Begins Arriving Yesterday—Setting is Almost at a Standstill.

PRINCETON, N. J., Nov. 16.—The vanguard of the big crowd that will witness tomorrow's battle between Princeton and Yale is coming in on every train. Scarcely in the history of great struggles has so many of the undergraduates been so hopeful of victory, and certainly no team has ever been more anxious to show that the confidence of its supporters has not been misplaced.

Setting is almost at a standstill. Princeton's backers believe that they are justified in making even money, both on account of Yale's practice and the fact that both teams made practically the same score against West Point. The members of the team, with two exceptions, are in splendid condition. Injuries which Tenny received in practice recently, have taken an unexpected turn for the worse and it was announced tonight that Dowd would relieve E. A. Dillon, at quarter back, if the latter is injured. Captain Herbert Dillon is not likely to last through the game. Daub is his substitute. The other members of the squad are in the pink of condition and ready to put up the game of their lives.

Coach Roper announced the following line-up for tomorrow:

Left end, Foster; left tackle, Herring; left guard, H. L. Dillon, center, Herring; right guard, Stannard; right tackle, Conroy; right end, Hoagland; quarter back, E. A. Dillon; left half back, Ruton; right half back, Harlan; full back, McCormick.

Yale Squad Confident.

NEW HAVEN, Conn., Nov. 16.—With light signal practice at Yale field this afternoon, in which the entire Yale eleven took part, the coaches put the finishing touches for the game with Princeton

tomorrow. Head Coach Rockwell would not be quoted, but believed that Yale has a chance to win.

He announced the line-up as follows:

Forbes, left end; Patge, left tackle; Bridges, left guard; Herkenberger, center; Orton, right guard; Sigelow, right tackle; Alcott, right end; Hoagland, quarter back; Knox, left half back; Vulliamy, right half back; Morse, (captain), full back.

Assistant Coach Frank Hinkley said tonight:

"Yale was never in better condition for a big game than today."

The entire squad of thirty-six players left here tonight for New York. They will stop in that city over night.

COACH YOST IS CONFIDENT

Trainer of Wolverines Says His Team Will Defeat Pennsy.

PHILADELPHIA, Nov. 16.—For the first time in ten years the University of Michigan football team will meet on Franklin field tomorrow. The westerners have been quartered at Westchester, twenty-five miles from the city, for four days and the reports from Coach Yost are to the effect that the team is in the pink of condition. Coach Yost said:

"We expect to defeat Pennsylvania tomorrow. We do not underestimate the strength of the eleven from the state capital, but we believe they will play better football than they have shown in this fall, but withal I feel that we can win. Our boys are not overconfident, but they have a great hope in the kicking of Garrel."

The Pennsylvania team has been spending the last four days down in the New Jersey pines and reports from Coach Yost and Trainer Mike Murphy are encouraging. With the exception of Ziegler, the big right guard, who is suffering from
