Patterns
One of the most remarkable in-
ventions of recent years is a Guide
Chart to be used in connection
with dress patterns. It is so sim-
ple, it's a wonder it wasn't in-
vented long ago. It is invaluable
to all who use patterns. The
patented Guide-Chart is the ex-
clusive property of the Ladies'
Home Journal Patterns and gives
them a great advantage over all
other patterns. Each 15c and 10c.
