Woman's Greatest Work.

Educating public opinion is always a large part of woman's work, but interesting such interesting them to an extent that they influence as will carry out social and will assume responsibility is her most delicate task.

Millions of Dollars in Revenue.

Possibly Cherry county contains one-fourth of the remaining vacant lands of Nebraska. If so, the entire lease would aggregate \$900,000 annually.

Should Not Be Sold, but Leased.

It cannot be sold since congress rightly thinks that as conditions change due to settlement, little by little these lands will become subject to the public domain.

Women in Our Hospitals

Appalling Increases in the Number of Operations Performed Each Year—How Women May Avoid Them.

Going through the hospitals in our large cities one is surprised to find such a large proportion of the patients lying on those snow-white beds women and girls, who are either awaiting or recovering from serious operations.

LAWS THE WOMEN WILL ASK

Outline of Measures that Will Have the Federation's Support. SYSTEMATIC EFFORT TO SECURE PASSAGE

Compulsory Education, Child Labor and Pure Food Bills in State Legislature and Kindred Measures in Congress.

One of the most serious combinations that came before the meeting of the executive board of the Nebraska Federation of Women's clubs at Lincoln last Tuesday was the creation of a legislative committee, the function of which should be to watch such measures coming before the legislature as are of interest to club women...
