The proposition of Councilman Peter Smith to establish a new ward out of portions of the Fourth and Fifth wards evidently inspired the West Council Bluffs Improvement club to file with the city council last night a petition that a new and additional ward be formed out of part of the First precinct of the Sixth ward. This petition, together with the resolution entroduced by Councilman Smith, were referred to the committee of the whole. The resolution presented by Councilman

Smith is as follows: Whereas, The Fifth ward consists of six square miles of territory, with a population much larger than any other ward in the which larger than any olber ward in the city, and is rapidly increasing; and,
Whereas, The interest of the so-called south bottom is not identical with the rest of the ward, on account of the numerous railroad yards forming a silent, recognized division, and its interests should be pristed by a representative in the city council by a citizen or that locality; therefore, be it

At every meal or for a munch between meals, when you feel the need of an appetizing bite to fill up a vacant corner, in the morning when you wake hungry, or at night just before going to bed. Soda crackers are so light and easily digested that they make a perfect food at times when you could not think of eating anything else.

But as in all other things, there is a difference in sod crackers, the superlative being

Uneeda Biscuit

a soda cracker so scientifically baked that all the nutritive qualities of the wheat are retained and developeda soda cracker in which all the original goodness is preserved for you.
