DOCTOR

Do you know our store at 16th and Chicago Sts. is open all night? Some of your patients get sick after midnight, do they not? We have the largest and best equipped prescription room in Omaha, and it is separated from the store, so that our prescription men are not bothered about waiting on trade.

We cordially invite your careful inspection of this prescription room, both as to cleanliness and to see that we have there just what you need? We don't pretend to have everything under the sun, as some vast drug stores do! Perhaps that's why their customers have to pay such fancy prices for prescriptions. **ONE TRICK UP YOUR SLEEVE!** If we do not have what a prescription calls for we will either get it or we will not fill it! See the point?

We have our own messengers and deliver prescriptions, or anything we sell, day and night without one cent extra charge.
