Plan a trip to this Wonderful Land this Winter

There's nothing just like it in the world. It has the sunshine, the flowers, the watering places of other winter resorts, but it has things to see and a finer, drier air to breathe. Go to

CALIFORNIA

this winter, see monster growing trees, higher than a 21-story office building—trees that were standing 5,000 years ago. These are only a few of the wonders of the great state that knows no winter.

Send for California books. Ask about the great train service via the
