Other people notice pour bad breath where you would not notice it at all. It is quasiating to other people to stand before m and while you are talking, give them whiff or two of your bad breath. It usually omes from food fermenting on your stomch. Sometimes you have, it in the mornng-that awful sour, billous, bad breath. You can stop that at once by swallowing Defendant After Receiving Congratune or two Start Charcoal Lozenges, the most powerful gas and odor absorbers ever

prepared. Bometimes your-meals will reveal themselves in your breath to those who talk with you. "You've had onlong," or "You've been eating sabbage," and all of a sudden you beich in the face of your friend. Charcoal is a wondeful absorber of oders, as every ane knows. That is why Stuart's Charcoal Losenges are so quick to stop all gases and odors or odorous foods, or gas from indigention

Don't use breath perfumes. They never conceal the odor, and never absorb the gas that causes the odor. Besides, the very fact of using them reveaus the reason for their uses Stuart's Charcoal Lozenges in the first place stop for good all sour brash and belching of gas, and makes your breath pure, fresh and sweet, just after you've eaten. Then no one will turn his ace away from you when you breathe or your breath will be pure and fresh, talk and besides your food will taste so much better to you at your next meal. Just try

three glasses of water at night and two or three more glasses in the morning. The Oil goes in through the pores, destroys the acids which cause Rheumatism, and the blood carries the destroyed acid to the kidneys, where it is filtered out. By drinking plenty of water, the kidneys are well washed out, and in this manner the rheumatic poisons are removed

from the system. You have probably noted that in all sickness the simplest treatments do the

water, and rubbing the body and muscles, and tendons, and joints with Omega Oil. 10c., 25c., 50c.
