On this page are the familiar faces of 100 high-grade American Gentlemen, who with our two European representatives, accomplished these marvelous results.

Makers of the World Renowned American Lady Shoes

It is an average of over \$108,000.00 to each man, although 17 of the 102 only represented us the last three months of the year.

In 1907 they will make another new record. Nothing is impossible for the big shoe house as long as they **Keep the Quality Up.**
