### WANTED-MALE HELP

A Present For the Future What better Christmas gift could you make a son or daughter than the present of a scholarship in the Bookkeeping, Stenography or Telegraphy de-

parments of Boyles College? That would be a present for the future. That would insure for your son a profession that would guarantee his independence. That would insure for your daughter the ability to earn an independent living, no matter what reverses of fortune might overtake you or her in after life.

The world of business offers your boy the greatest opportunities. It offers your daughter the best select and the world of the life.

your daughter the best salary and the most congenial employment. The better the business college your son or daughter attends, the better training for business that son or daughter will receive-the better Stenographer, Bookkeeper or Telegrapher that son or daughter will graduate-the better salary that son or daughter will receive out in the business world.

# BOYLES COLLEGE Opens Its Mid-Winter Term JANUARY 2ND

DAY AND NIGHT.

Our college in eight years has grown to be the largest business college west of Chicago-has achieved the distinction of being the only business college in all this state to own and occupy wholly and solely a business college building of its own-and has gathered to itself the largest number of students that have ever favored any business college in this section of the country with their patronage.

Boyles College is the college that your sons and daughters would find it best to attend, because the business men of this entire section have found it best to obtain their Stenographers, Bookkeepers and Telegraphers from Boyles College. Ask for the catalogue.

### PERSONAL

DR. C. N. SOMMER.
The progressive homeopathic physician, 210
Ree bidgs, Omaha, Noth, is always on the
alert. His skill and success in curing
cancers, tumors, chronic drug and all
blood diseases have been thoroughly
demonstrated in his daily practice. The
doctor is a strict practitioner of pure
homeopathy, a great admirer and follower of Hahnemann, the reformer of
thespoutic science and discoverer of
homeopathy, the new school of medicine.
One hundred years ago the great master
was so full of condence in his new
enterprise that he told his brother physicians try this new system and publish
all the failures to the world. This some
proposition holds good today.
