The beating ment that additional lines would be built Dick Hyland gave Hanlon strengthened and that the money was all laid aside. him in his resolve to guit the ring While the club is essentially a driving The Gans-Herman fight for the world's

club, still there will be plenty of people who would use the street cars. The general public, however, is more interested the prospects of a separate company being formed, which will give Omaha some greatest prize fight arena the world has trotting races. A movement is on foot ever seen. By the time that the building to organize a separate company to promote some races, and should this be done be equipped in every detail, with appurthe promoters will surely meet with plenty of encouragement from the Omaha mer- tors, fighters, attaches, etc., in such a chants. Nothing has yet been invented to take the place of a horse race to arouse the interest of all classes of people, and some high-class races would be just the thing to bring in hordes of people from fries, who has accepted an offer to referee the state. Should these races be given they will be on an elaborate scale, with large purses, large enough to attract the host horses in the country. When smalles purse it will be in a building that is only towns like Blair, Tekamah and Fremont a starter of the structure that will place give race meets the town is not large nough to hold the people who come and come to stay while the races last. That would be the case in Omaha. The races have been made the principal attraction at the state fair and the railroads are not ble to haul the people who want to go to

When the American team won such high

high school team did not keep some of its dates because one of the leading players did not feel like playing on that day and the men could not arrange for another date. This is poor sportsmanship. That a team should refuse to play because there was a chance of being beaten is a poor excuse There was considerable talk of the or REVIVAL OF HORSE RACING IS INVOLVED guarantion of a league this winter, but that was all that was heard about it.

Indoor lawn tennis received considerable
