and not by egotistical and beasting statements. The State Medical Institute has long been established for the purpose of saving young men, middle-aged and old men from the evil results of their own neglect and ignorance and to save them the disappointment of failure, loss of time and meney often spent in experimenting with incompetent, unscrupulous specialists, new methods, quick cure delusions, no-pay-until-cured deceptions, and the various other misleading statements often used by unscrupulous and unreliable medical concerns or doctors for the purpose of obtaining patronage. You are just as safe in dealing with the State Medical Institute as with any state or national bank. The State Medical Institute has been the salvation of multitudes of men and by its conservative, honest, upright and clean business methods, unexcelled equipment, etc., and the high character, long experience and scientific attainments of its specialists, has established a reputation as a place where all suffering men can go with full confidence, knowing that they will be fairly dealt with, skilifully treated and promptly cured in the shortest time possible and at the lowest cost.

Longest Established Institute for Men

NERVOUS DEBILITY, BLOOD POISON, SKIN DISEASES, RUPTURE, KID-NEY and BLADDER diseases and all diseases and weaknesses of MEN due to neglected, unskillful or improper treatment which impairs the mind and destroys men's Mental and Physical Powers, reducing the sufferer to that deplorable state known as Nervous Debility, making the enjoyment of life impossible.

Are You Groping in the Dark?

We make a thorough, searching and scientific examination of your ailment, an examination that will disclose your true physical condition, without a knowledge of which you are groing in the dark and without a thorough understanding of which no physician or specialist should treat you. All men, who are not what they should be, who are weak, nervous and debilitated from any cause, or who may at present be suffer-ing from ignorance, neglect, dissipation, etc., will find it well worth their time to come for free consultation and examina-tion to the State Medical Institute, which has long been estab-lished for the purpose of curing the terrible diseases and bolghting weaknesses that destoy men's mental and physical powers, making the duties of life a hardship and happiness impossible.

Do not be satisfied until you have been examined by the pecalists of the State Medical Institute, the best in the coun-try. Consult us and be examined free. You may be sent away happy, without treatment, but with advice that will save you time and money, as well as mental suffering.
