A Happy New Year

to you, and may you start it right by using the right kind of Wines and Liqueurs. With us Purity and Best Quality means "right," and we guarantee our goods to be that in every sense of the word, and, while all good wines, liquors, cordials, etc., must vary according to vintage and age, they should be pure and free from adulterations under all conditions—which is what we claim. We desire the public to know that we are neither blenders, compounders or refiners; also that we use the utmost care to purchase our goods from the most reliable houses in America and Europe, and just as we get them they pass into the hands of our customers. No spurious imitations or impure liquors offered here.
