Start the New Year Right.

In planning for the New Year consider among other things where you can get the best quality of meat at the lowest prices.

We carry at all times the largest stock of Meats, Poultry, Game and Fish in Omaha. All our meats and poultry are purchased direct. Everything strictly fresh-no cold storage goods. We save you middlemen's profits and our shipments are so large that we are able to offer the lowest prices consistent with quality. Quality is always our first consideration, Our interest lies in supplying you with the best at all times and we are careful to see that every order we fill is made up of the best the market affords. Our complete stock enables you to get just the particular cut you wish -what you want not what the dealer may happen to have in stock. Our stock

of poultry and game will always be found to be complete and up-to-date. We thank you for your liberal patronage during the past year and will continue to live strictly up to our motto:

Best Quality; Lowest Prices; Courteous Service; Quick Deliveries.
