

THE OLDEST MAN IN AMERICA

Escaped the Terrors of Many Winters By Using Pe-ru-na.

"I Attribute my Extreme Old Age to the Use of Pe-ru-na."

Mr. Isaac Brock, 117 Years Old Last Birthday. ISAAC BROCK, a citizen of McLennan county, Texas, has lived for 117 years. For many years he resided at Bosque Falls, eighteen miles west of Waco, but now lives with his son-in-law at Valley Mills, Texas. Some time ago, by request, Uncle Isaac came to Waco and sat for his picture. Holding in his hand a stick out from the grave of General Andrew Jackson. Mr. Brock is a dignified old gentleman, showing few signs of decrepitude. His family bible is still preserved and it shows that the date of his birth was written 118 years ago.

Born before the United States were formed. Saw 22 presidents elected. Pe-ru-na has protected him from all sudden changes. Veteran of four wars. Shed a horse when 99 years old. Always conquered the grip with Pe-ru-na. Witness in a land suit at the age of 110 years. Believes Pe-ru-na the greatest remedy of the age for catarrhal troubles.

REYNOLDS IN TIGHT PLACE

Young Man Identified by Mrs. Rockefeller and Still Suspected.

POLICE ARE WEAVING WEB ABOUT HIM

Several Jobs of Hold-Up Are Laid at His Door and He Has Not Yet Made Denial.

The police are weaving a web around Carl Reynolds who is suspected of numerous burglaries and holdups committed in Omaha during the last few months, from which he appears to be no escape. In addition to being identified by Mrs. Rockefeller, Waxenberg, proprietor of a grocery store at 1965 Park avenue, as the man who held him up on the night of January 8, the prisoner was positively identified late Friday afternoon by Mrs. Rockefeller, 2638 St. Mary's avenue, as one of the culprits who held up with revolvers in her basement about six weeks ago and forced her to assist them in ransacking the house. Mrs. Rockefeller was unusually positive of her identification. When Reynolds was taken before her she merely glanced at the man and said: "That's enough; he's the man without doubt." A handbag which was carried by Reynolds when he was arrested a few days ago at Lincoln has been identified as belonging to S. F. Miller, whose home at 3111 Harney street was entered by burglars on the night of September 21. The handbag was a part of the spoils stolen by the burglars. The only failure of identification of Reynolds was that of Henry M. Hanson of 3312 Harney street, who was held up a few weeks ago in front of his residence in company with his wife. Mr. Hanson thought that Reynolds answered the description of his assailant, but could not state positively that he was the man. Investigation Goes On. The investigation will be continued for some time and a complaint probably will be filed by the county attorney against Reynolds on the charge of robbing Mr. Waxenberg and Mrs. Rockefeller and also on the charge of burglary at the homes of Mr. Miller and Dr. Jack.

The prisoners were placed in the city jail for the night and taken to South Dakota Saturday afternoon by the sheriff. It is alleged that Scanlon and Purcell murdered two companions in a box car and then set fire to the car in an effort to destroy the bodies of their victims.

BOARD FIGHTS POPPLETON

Park Commission Will Go to the Mat on that Injunction Matter.

The Park board held a special meeting Saturday morning to talk over matters pertaining to the proposed boulevard from Kountze park to Cut-off lake. Poppleton, who has applied for an injunction to stop the board from condemning property owned by Mr. Poppleton along the route of the proposed boulevard. The Fifth Ward Improvement club was represented at the meeting by W. I. The store which Mr. Black has secured is now occupied by N. P. Franzen the jeweler and Donaghue the florist.

Queen Quality

INSPECTION PROOF

EVERY single shoe that goes through the great "Queen Quality" factory must pass through the hands of no fewer than six different inspectors. A premium is paid for every imperfection detected. No shoe with any imperfection however slight is allowed to bear the "Queen Quality" stamp. It must be rejected and sold as damaged. Five expert shoemakers superintend the inspection squad and coach the foremen and workmen to keep every shoe up to the "Queen Quality" standard. As an extra precaution, before packing they get three more inspections—from the inspection squad, the foreman and the packer. Yet this is only indicative of the methods that make the sales of "Queen Quality" shoes much the largest in the world. Let us show you the new styles at \$3.00, \$3.50 and \$4.00.

HAYDEN BROS.

SURGERY AND SUFFERING

Thousands of men suffer untold misery and pain day after day continuing their daily duties, enduring their suffering in silence, because they do not know there is any help for them and believe their daily misery is their portion, and there is nothing left for them but to suffer. Or, if they have received any knowledge, in the matter from experience from others they are frightened nearly to death at the thought of a surgical operation, which only produces symptoms worse than the misery and pain. There is no question about it. The surgeon's knife is being used altogether too much, and physicians and surgeons are too hasty in advising and insisting upon operations in nearly every case as the only means of relief. The truth of the matter is today that mutilation method of the surgeon's knife has been proven so decidedly wrong and the results so sorrowfully bad that it cannot be done without receiving criticism from the best men in the medical profession, except in cases that have been neglected or allowed to remain too long without proper treatment.

MEN! SALVATION IS HERE

We have treated these conditions for years and notwithstanding the stubborn nature of these disorders they can, almost without a single exception, be completely and promptly cured by the timely application of modern methods of treatment in the hands of an experienced man. We place this treatment within the reach of every afflicted man in this community. Every man suffering from any affection is especially welcome to call at any time and receive our advice free. We particularly invite you if you have been told an operation is the only chance for you to get well. Maybe it is and MAY BE IT IS NOT. There are risks to run by having an operation. WITH OUR TREATMENT YOU HAVE NO RISK. Then, too, operations are expensive. When you select a Specialist, select a good one—your health is at stake. Our treatment does not cost any more than poor treatment.
