of New Lines.

FUTURE IS NOW ASSURED SUGAR PLANT MAY BE MOVED

With St. Joseph & Grand Island's New Connection with Union Pacific and Burlington Building West Great Growth Expected.

promise of more than ordinary activity in and about Kearney on the part of the Union Pacific. As is well known the new connection of the Union Parific main line with the St. Joseph & Grand Island has been planned and surveyed, and by officials who recently visited Hastings. It is said preparations have been practically completed to start construction work this year. The building of the short line be a part of the St. Joseph & Grand Island's program for the general improvement of the system.

the transfer business will be done here and that the junction at Gibbon will be no more her head, which it is supposed she received than a junction of the tracks, although he by striking her head on the plane when she says he has no official knowledge of the plans of the company.

The importance of this connection on the future growth and prosperity of Kearney will be far-reaching and with almost a certhat the Burlington's western line road future is bright with promise. A city of 20,000 population in less than ten years confident expectation of business

## PREE RIDE MAY LEAD TO PEN Two Men Who Hide in Mail Car Land in Uncle Sam's Clutches.

PLATTSMOUTH, Neb., Feb. 8 .- (Special.) Max Rosenfelt and Louis Kiss, objecting to paying railroad fare but desiring to visit Chicago, climbed into a mail car used for storing mail. Just before Creston was reached it was found the two men were stealing a ride. The train stopped at Creston and the crew attempted to eject them. but they barred the door and defied the The train dispatcher, upon learning why the train was being delayed, ordered the train to go to Ottumwa, promteing to have the entire police force present when the train arrived. When the train steamed into Ottumwa half a dozen bluecoats were there. The men in the car refused to open the car door, and coaxings and persuasions were in vain. The policemen finally battered the door down, grasped the two recalcitrants by the coat collars

The two men will find themselves before the United States court charged with interfering with United States mails.

## PATHERS SEARCH FOR THEIR BOYS

Per Vounguters Leave Home Mysteriously-May Have Gone West, BEATRICE, Neb., Feb. 9 .- (Special Tele gram.)-D. P. Hoetman of Holmesville was the city today looking for his son, Lee Hootman, and another boy named Fiddle, who mysteriously disappeared from their nomes yesterday. Young Fiddle lives at Blue Springs. The boys are aged 17 and 18 years, respectively. It is believed they have gone to California.

Crabtree on Requirements. PERU, Neb., Feb. 9 .- (Special.) -- On being sked for an opinion on the bill introduced by Senator Randall fixing entrance require ments for the State Normal schools, President Crabtree said he had not seen the bill, but that he understands that it simply requires graduation from a tenth-grade high school as an entrance to the Normal schools. He would prefer fixing the entrance requirements for Peru somewhat is well supplied with good high schools,
