PROGRESS ON KOUNTZE WILL

Settlement is Being Satisfactorily Made According to Attorneys at Work.

Augustus Kountse of New York is in Omaha in conference with attorneys over the question of settlement of the estate of his father, the late Herman Kountze, in ordance with the will which was filed. Attorneys any everything is progressing satisfactorily for all concerned. W. A Saunders has been appointed appraiser and an inventory of the property will be filed in a few days after which an appraisement will be made. H. H. Baldrige, who represents Mrs. Kountze, says the settlement under the will is progressing satisfactorily to his client.

SUIT AFTER MANY YEARS

Action Brought by Heirs Against Administrator of Old Estate.

MOST OF THEM LIVE IN BOHEMIA

Execution of Will Settled in Otoe County Twenty-Seven Years Ago and New Contention Arises.

Hedwig Hermann, Matfida Gregar, Eliza Lipski, Hermine, Rudelph, Phillipina, Emil Sichl and Helen and Lucy Sichl, minors, all of Edgar, Bohomia, and Hugo Sichl, a citizen of Missouri, have brought sult in the United States circuit court against Jacob Sichl of Otee county, Neb., for accounting as administrator and executor of the estate of Marcus Sichl, who died in Otoe county February 12, 1889.

The complainants are children of one, Solomon Sichl, except Philliplan Sichl, who is the widow of Solomon Sichl. Solomon Sichl, died intestate in Bohemia a few years ago and his estate in Austria has een administered and closed.

Marcus Sichl, who died in 1880 in Otob county, was a brother of Solomon Sichl and he bequeathed to Solomon the sum of \$8,000. Jacob Sichl was made administrator of the estate of Marcus, who died solvent and no part of the \$8,000 cash was needed to pay any debts of Marcus' estate.

Estate Finally Settled. The estate was finally settled and the executor discharged by the probate court of Otoe county and in May, 1880, Jacob Sichi remitted \$4,600 to Solomon Sighl in Austria. He claimed that the other \$4,000 had been emblems were carried out in the refresh- were made of a variety of valentines. The invested in good interest bearing securities and sent a blank receipt to Solomon to sign in order that the estate might be closed. Solomon believed in Jacobs' assercovered with red hearts. Refreshments tions and signed the receipts. Jacob occasionally sent Solomon small sums of money. claiming that they were interest payments on the investment of the \$4,000. Finally these payments of alleged interest ceased and Solomon made repeated demands for the interest or principal, to which demands Jacob paid no attention. Finally So Sichl died and his heirs set about to investigate 'Jacob's story of the investment of the \$4,000 and found that no such investments had been made, but that Jacob had originally absorbed the \$4,000 and the pretended interest payments were simply subterfuge and that Jacob had sought to defraud the heirs absolutely out of the

\$4,000. Suit is now brought to compel Jacob Sichl to make a full accounting of his executorship and to reveal where the alleged investment of the \$4,000 was made, if made at all, and to pay over to the heirs of Solonon Sichl the \$4,000 wrongfully and fraudulently withheld from them by him

RHEUMAI

The cause of Rheumatism is an excess of uric acid in the blood, brought on by indigestion, chronic constipation, weak kidneys and a general sluggish condition of the entire system. The refuse and waste matter of the body is not carried out as nature intends, but is left to ferment and sour and generate uric acid, which is absorbed into the blood. The first evidence of Rheumatism is usually little wandering pains in the muscles and joints, or a tender, sensitive place on the flesh. These are often so slight that nothing is thought of them and they pass away; but with each recurrence the trouble becomes more severe, and from slight wandering pains and excited nerves, Rheumatism grows to be a painful and almost constant trouble. The longer the poison remains in the blood the firmer hold the trouble gets on the system. Each day the acid deposit is increasing and the disease grows worse from year to year. After awhile the joints become coated with a corrosive substance which seriously interferes with their working and movements and sometimes they become permanently stiff and useless. S. S. S.

PURELY VEGETABLE

cures Rheumatism by going down into the blood and attacking the disease at its head. It neutralizes the poisons and acids and dissolves the salts and irritating deposits, making the blood stream pure, fresh and healthy. S.S.S. is made entirely of roots, herbs and barks, and is therefore a safe remedy. When the blood has been purified by S. S. S., the pains and

aches pass away, and the cure is permanent. Book on Rheumatism, and THE SWIFT SPECIFIC CO., ATLANTA, GA.
