crossings which ought to be protected. After some discussion it was decided to The following petition signed by upwards pass the ordinance and take up the matter seventy of the leading business men and axpayers of the city was presented to the date. ity council last night;

City council last night; We understand that the present taxable valuation of the city of Council Bluffs is \$3,512,009; that its legal limit of debt out-side of debts incurred for purchase or construction of water works to be 5 per cent of this amount, nearly \$195,600, while the face of the bogds now outstanding less the cash on hand to apply on their mayment A communication from the state railroad commission announced it would meet in Council Bluffs on March 19 to inquire into the matter of the Woodbury avenue crossing over the Great Western trucks as ordered by a recently passed ordinance. Souncilmen Wallace, Younkerman and

of this amount, nearly \$195,000, while the face of the boads now outstanding less the cash on hand to apply on their payment is, in round numbers, \$174,000, or about \$75,400 in excess of the legal limit. We further understand that under au-thority of recent legislation that for the purpose of acquiring a water plant the council may legally increase the city's debt to an amount equalling 5 per cent of the city's actual valuation. In fact to \$782,400. If the amount of the present debt is deducted from the figure there would be available for water works purchase but 5508,427, which amount added to the cash already in the water sinking fund would make the total amount available for the acquirement of a water plant fillo,502, or about \$100,000 less than the amount figured poessary to acquire and reinforce the extension of water works purchase, but not provided with water service. Smith, City Solicitor Kimball and City Engineer Etnyre were named as a special ommittee to meet the commission. The proposition of G. H. Scott, forme judge of the superior court, to revise and ecompile the city ordinances for \$50 was finally accepted, the council agreeing to include this amount in the appropriations when made for the new fiscal year begin-

ning April 1. Conrad Gelse petitioned that the cereal mills crected by him on the old brewery property be exempted from taxation for a period of five years from January 1, 1906, under the ordinance giving the city' the privilege of exempting new enterprises from

axed for water works purposes, but not provided with water service. In view of these facts it is our opinion that the present time is inopportune for the acquirement of a water plant and we respectfully request that your honorable body proceed at once to enter into a con-tract with the existing company. We sug-gest that any franchise that may be or-fered to the company should be for a term of years long enough to warrant the in-vestment by the company of sufficient money to make necessary reinforcements and extensions, but that the city should reserve the right to purchase at any time. In view of the further fact that the power to make or change rates at any time rests with the council and to the end that the necessary improvements may be made at once and to the end that the source be southed without any more direct expense to the other of the further act the power. taxation for that number of years as an nducement to new enterprises to locate in his city. The sum of \$15,000 was ordered transferred from the police fund to the general fund. ROBERT BURNS 10c CIGAR, OLD

The wonderful healing powers of pine have been known for ages, but the comparitively new form of pine product which has the quality of being soluble, thus enabling its to used in a more pleasant manner and which is now being generally prescribed by doctors, is known to the profession as Concentrated oil of pine. A Philadelphia lung and threat specialist declares that the formula in which he now uses the Concentrated cil of pine has produced remarkable results, often entirely curing a sovers cold in twenty-four hours. The formula is very simple and the ingredients can be obtained of any good prescription druggies and mixed at home. It is as follows: Mix a half ounce Concentrated cil of pine with two ounces of giverine and a half pint of good whiskey; shake is thoroughly, and use in tablespoonful doses every twenty-four hours. The Concentrated oil of pine comes put up for medical use only in half ounce vials which are securely sealed in round, seew-top boxes and plainly isbaled. The boxes are air-tight and thus retain all the original ocone, as not to get any of the patent medicine initations. Care should be taken not to get any of the patent medicine initations. Care should be taken apackage.

kage. These can be avoided by making sure to get the "Concentrated" oil of pine. Is also said to be a splendid specific for rheumatism and lumbage. For a purpose it is taken raw on sugar, a few drops each night and morning. family medicine chest should at any time be without this powerful remedy.
