GOOD CHANCE FOR TOPEKA
National Commission Refers Case Back to National Association.
DRAFTING RULE HELD TO BE VOID
Minor Leagues Asked to Change It So as to Make Action by the Commission Unnecessary.

NEW YORK, Feb. 27.—The application of the Western Baseball League for permission to draft the Topeka club from the Western association, a lower class, was taken up at a meeting of the National commission held at National league headquarters here today. The commission is composed of Augustus Herrmann of Cincinnati and Presidents Johnson and Fullerton. They decided unanimously not to pass upon the question of jurisdiction at the present time, but declared Section 4 of Article XVII in the by-laws of the National Association of Minor Leagues, which prohibits drafting from a lower class, was bad in its effect and asked the national board to take up the matter at once which board agreed to adjust this section and obviate any necessity for the commission to take any further action.

President O'Neil appeared for the Western league, President Powers and S. A. Farrell representing the association. T. H. Murdock and Mr. Burt of the national board were at the hearing.

Players Broderick and Unglaub were re-elected, but each was fined \$300 and Player Briggs was reinstated without a fine.

Some of the members of the national board of the National Association of Minor Leagues took up the Topeka case informally. A meeting which board considered the matter probably will be held in Chicago within two weeks.

W. A. Hourke of the Omaha club was asked last night about the situation, and said in reply:

"I have just received a telegram from President O'Neil, which reads: 'Still in line for Topeka. Now trying arbitration.' This indicates that he considers the chance of the Western league getting Topeka to be very good. I look upon the action of the national commission as being very favorable. That august body is loath to interfere in the affairs of the minor leagues so long as the minor league is not a member of the association. It is a chance that the Western association will be paid a money consideration for Topeka, and will thus be protected. I believe now that we will be allowed to draft Topeka and make the circuit an eight-city organization as it should be."
